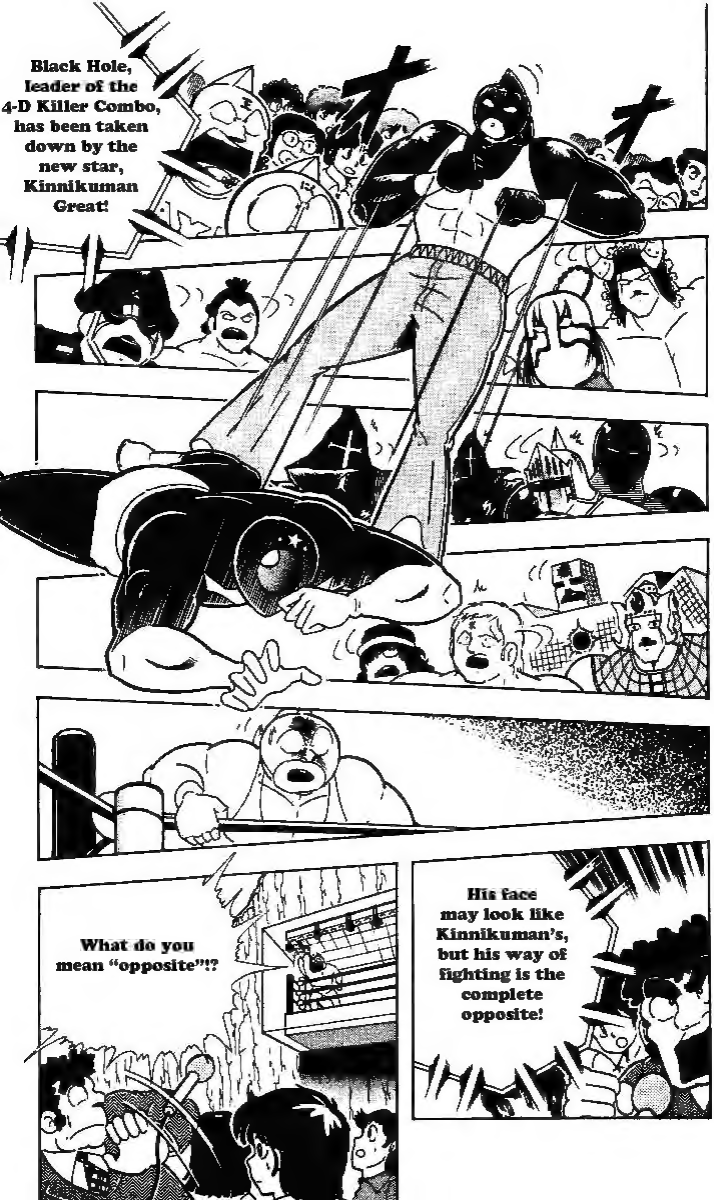
INDIVIDUAL TITLE HISTORY

Ashuraman:
-Chojin Lumberjack Champ
-Violent Chojin Heavyweight
-Devil Chojin Carnival Champ ('79)

Sunshine:
-He personally believes that a match is only won by knocking an opponent while he's out, so he's never formally won a title.

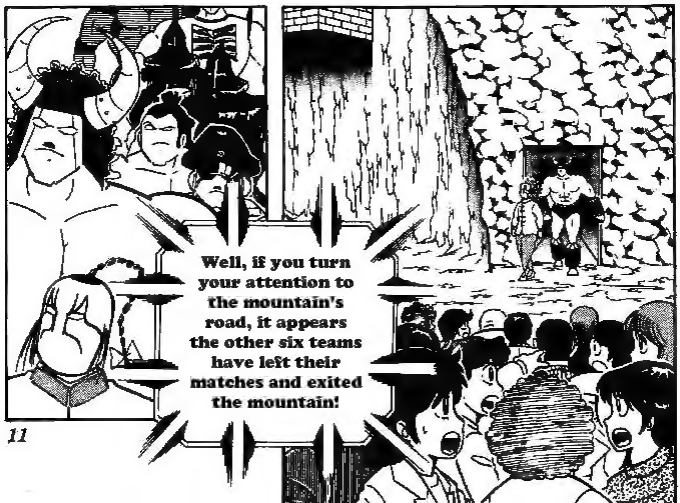
TAG TITLE HISTORY
-1st Place Dream Tag Team as voted by readers in the '83 issue 5-6



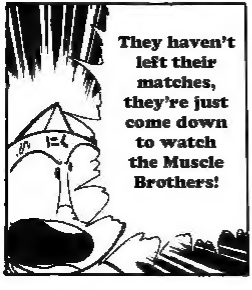
Black Hole, leader of the 4-D Killer Combo, has been taken down by the new star, Kinnikuman Great!
What do you mean "opposite"!?
His face may look like Kinnikuman's, but his way of fighting is the complete opposite!

That power reflects his years of experience.
This is what you'd expect from Master Kamehame.
He's a real force to be reconned with...
Kinnikuman Great was off our radars until now...
Hmph... It looks the winner here will be facing the Kinnikuman team...
You're awesome, Great!
Okay! We'll be defeating you soon enough, anyway. KA-KAKA!
What do you say we take a break from our match to do some research on that guy?
You're so cool, Kinnikuman Great!

ゴゴゴゴゴゴゴゴ
The other rings are turning back!
Only the first ring is left!



Well, if you turn your attention to the mountain's road, it appears the other six teams have left their matches and exited the mountain!



They haven't left their matches, they're just come down to watch the Muscle Brothers!

Got it!

Alright Great, all eyes are on you! Show them something awesome!

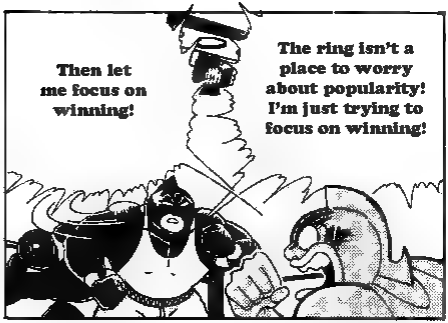
An opening!
Black Hole has caught Kinnikuman Great off-guard and thrown him to the ropes!
Uh...
Have a German Suplex!

Guh!
But Great uses a surpise Reverse Kick!
This guy... He's making his own openings!
Who is he?
He doesn't have a single Haw. He's truly a Chojin who's perfect!
A great cheering session has started for Kinnikuman Great!
Great!
Great! Great! Great!
Great!
Kinnikuman Great!

Alright, I'll turn these cheers for "Great" into cheers for "Suguru"!

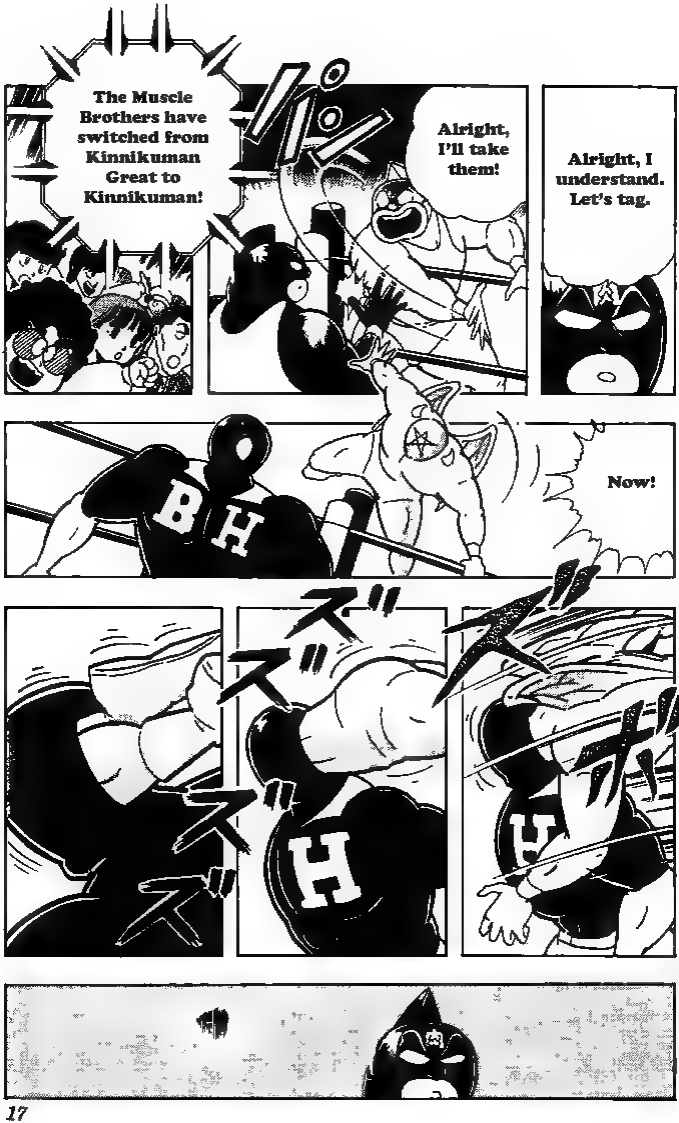
Right now I can handle things. I need to keep you on backup in case I need help.
Hey Great, it's not fair that you're getting all of the glory. Tag me in.

In other words, you're afraid I'll steal your popularity?



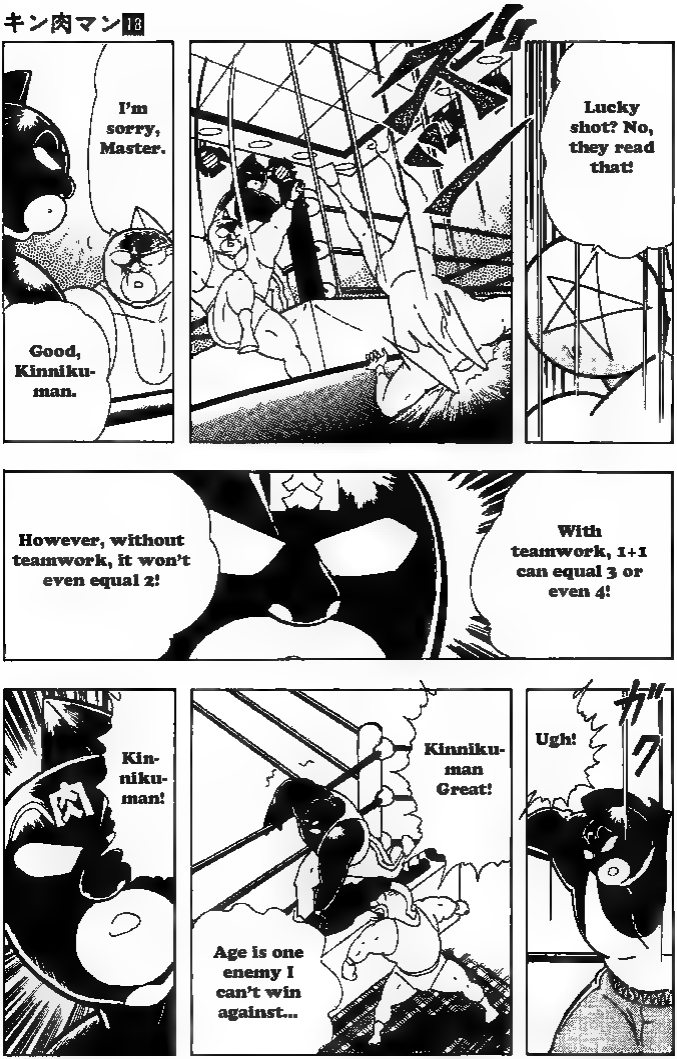
Then let me focus on winning!
The ring isn't a place to worry about popularity! I'm just trying to focus on winning!

We've waited for this! It's time to put an end to the Muscle Brothers!
Kekeke! It looks like you have the weakness of a team who was thrown together: a lack of teamwork!
No, I can't!
Kinnikuman, can't you just have faith in me?
The most important thing in a tag match is trust!
And they were winning, too...
What is Suguru doing?
.....!!
Would you stop that!? You're just making things hard, Master! You can't decide everything! We're not master and student in the ring, we're tag partners!
Either way, we're going to stick to my plan for this match.

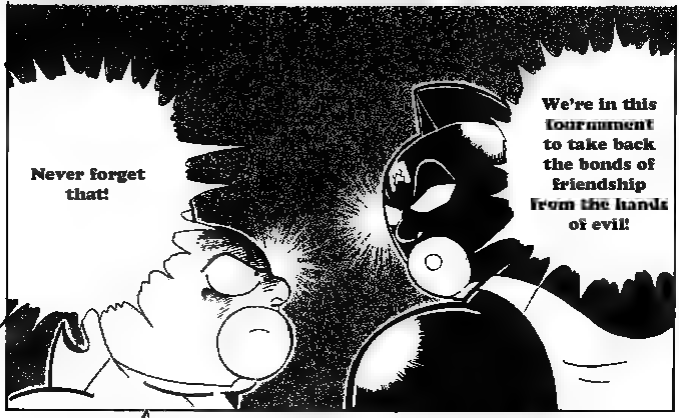


The Muscle Brothers have switched from Kinnikuman Great to Kinnikuman!
Alright, I'll take them!
Alright, I understand. Let's tag.
Now!

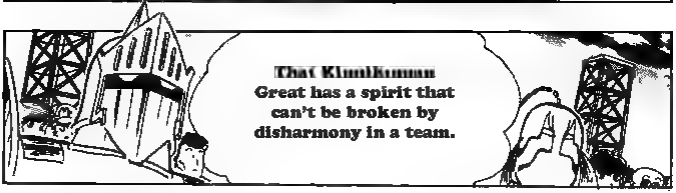
You're not tagging me in!
Kinnikuuman!
The Muscle Brothers are falling apart!
What?
Owa!
Geh!
A lucky shot!? That throw from their fight has hit Pentagon, who had warped in the 4-D space!



I'm sorry, Master.
Good, Kinniku-man.
Lucky shot? No, they read that!
However, without teamwork, it won't even equal 2!
With teamwork, 1+1 can equal 3 or even 4!
Kin-niku-man!
Kinniku-man Great!
Age is one enemy I can't win against...
Ugh!
ガク



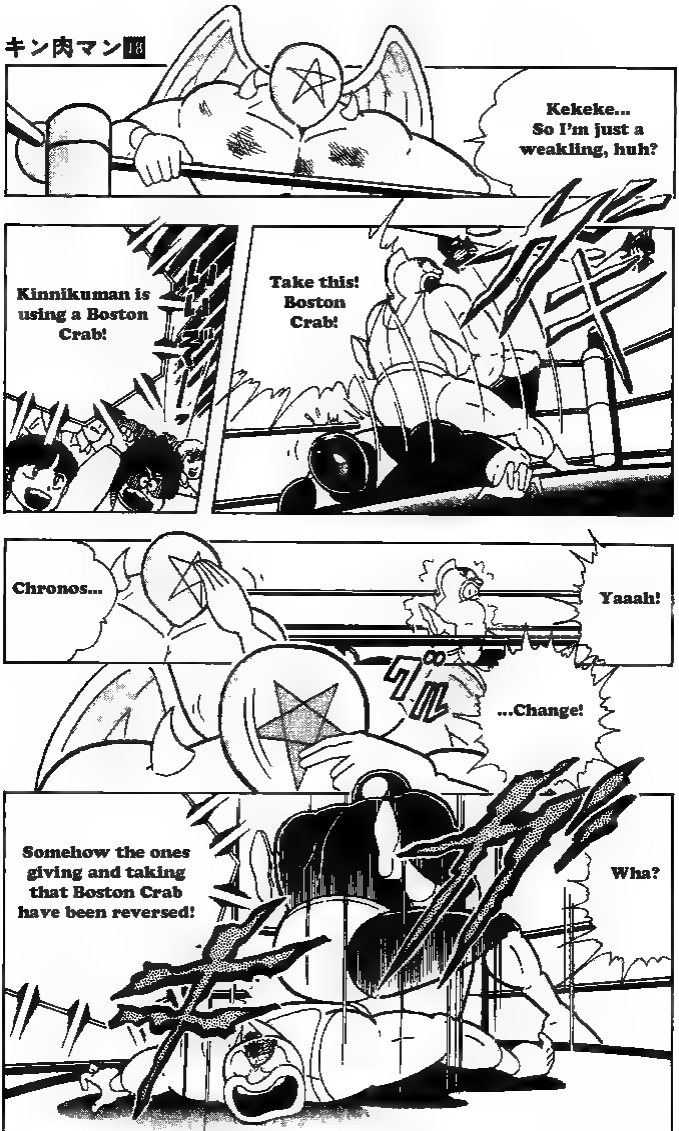
We're in this tournament to take back the bonds of friendship from the hands of evil!
Never forget that!



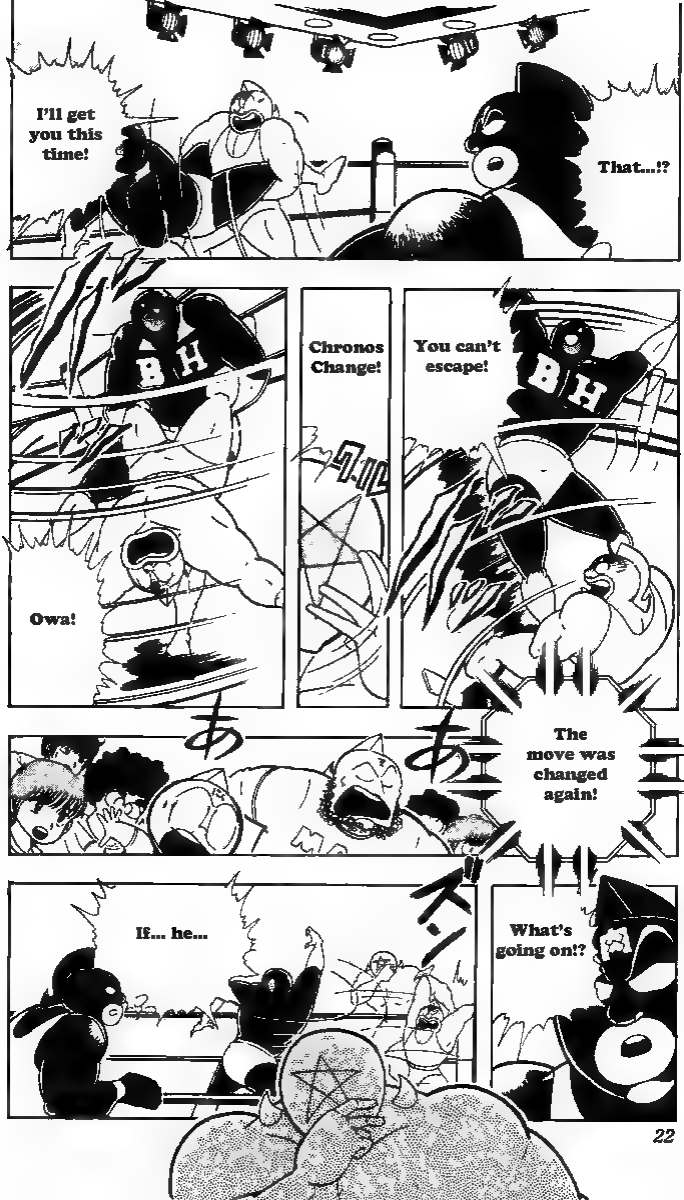
That Kinnikuman Great has a spirit that can't be broken by disharmony in a team.

But he can't help his lack of stamina. It seems his true face is that of a veteran Chojin.

All that's left is their leader, Black Hole!
Great's taken a hard blow, but the weak member of their team is down, too!
Kinniku-man!
You can do it!



Kekeke... So I'm just a weakling, huh?
Kinnikuman is using a Boston Crab!
Take this! Boston Crab!
Chronos...
Yaaah!
...Change!
Somehow the ones giving and taking that Boston Crab have been reversed!
Wha?



I'll get you this time!
That...!?
Owa!
Chronos Change!
You can't escape!
The move was changed again!
If... he...
What's going on!?

Time Stop!
I won't let this go!
Geh!
Ka ka ka!
Hey, Black!
This time, Pentagon has suddenly got Kinnikuman Great in a Pile Driver!

OK
It looks like Kinnikuman Great has...
Take this! 4-D Cross!
Kinnikuman Great!
Vanished into Black Hole, leaving his mask behind!

Aah!
ザッ
ザッ
Kinnikuuuun Great has been captured within Black Hole after 4-D Combo's tag attack!
ザッ
Hehe... Even a massive black hole has a weakness! Have you already forgotten our last match?
Kakakaka! He's within my endless 4-D space now! It's size is unmatched by the universe itself! He won't hear you no matter how loud you yell!
Niku Great, are you okay!?

Note: There are several times when Suguru yells out "Great!" when talking about Kinnikuman Great. This creates the problem in English of making it sound like he's saying "great!" in a few cases. I've added the "Niku" to keep things clear.

He did it!
I escaped with my secret move: White Hole!
Geh!
Even if I take your White Hole, by Black Hole Wall 1a double layered!

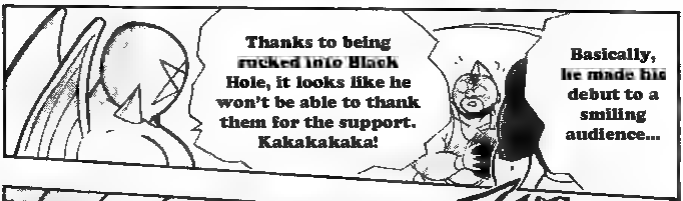
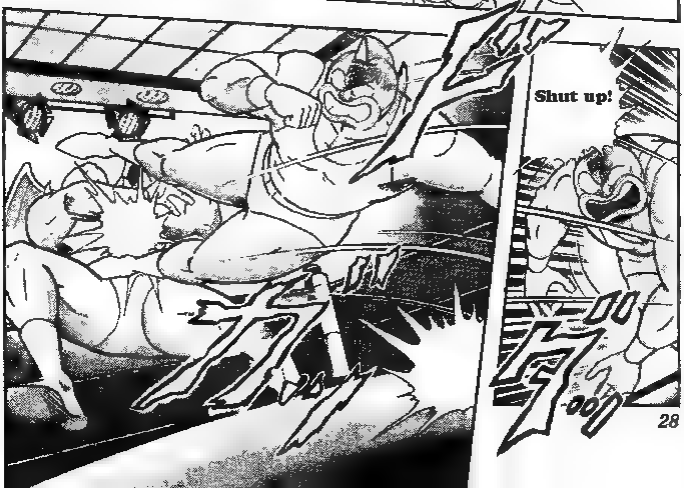
Aah...
がく
Aah!
There's nothing I can do...
Kamehame...



Thanks to being sucked into Black Hole, it looks like he won't be able to thank them for the support. Kakakakaka!
Basically, he made his debut to a smiling audience...

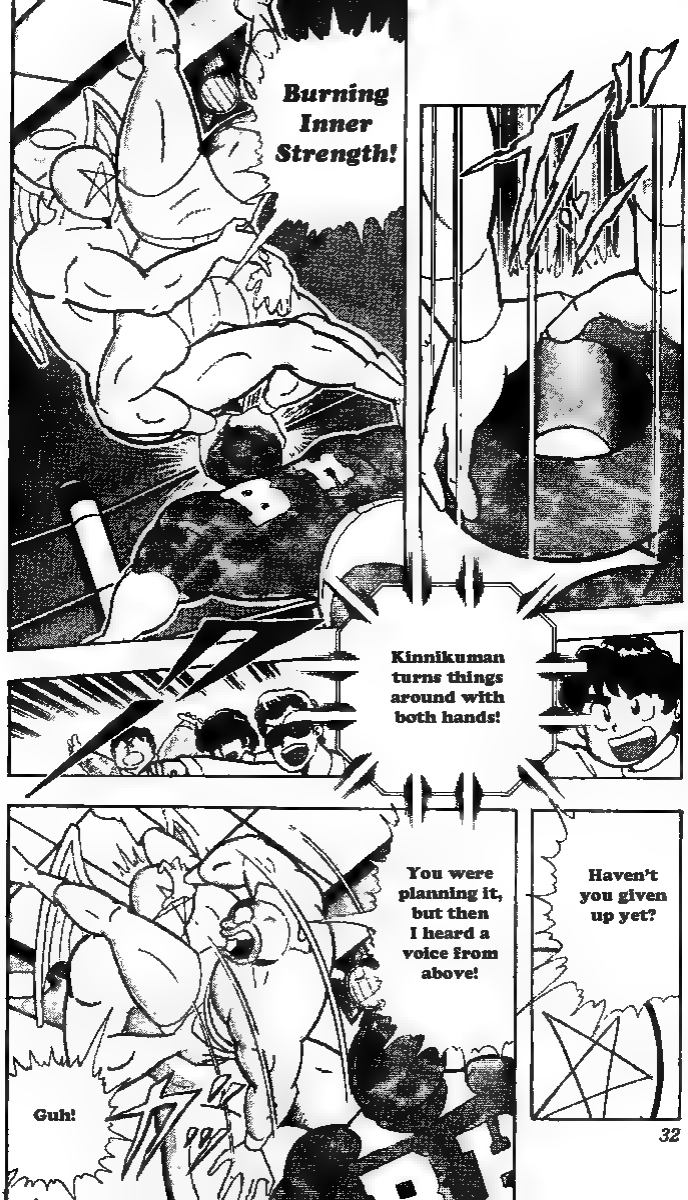


Shut up!

Guh!
I'm enough to take down the likes of you!
Kinnikuman uses a Flying Body Attack!
You... you're not going to fight us alone, are you!?
Change!
Chronos ...

Ke-kekeke!
Owa!
Again, the positions have been switched!
Got it!
Alright Pentagon, let's trap Kinnikuman in the 4-D Space, too!

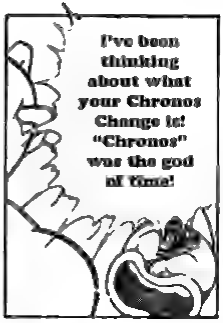
I got to do something!
Kinnikuman!
Don't lose hope! The center of the 4-D Killer Combo in the star on Pentagon's face!
Niku Great!
Good work, Pentagon!
Will Kinnikuman, the last of the Muscle Brothers, also be lost in the endless sea of another dimention!
Suguru!



Burning Inner Strength!
Kinnikuman turns things around with both hands!
You were planning it, but then I heard a voice from above!
Haven't you given up yet?
Guh!

What!? A Chojin who can control space and time!?

In other words, Pentagon, you're a Chojin who controls the space-time continuum!



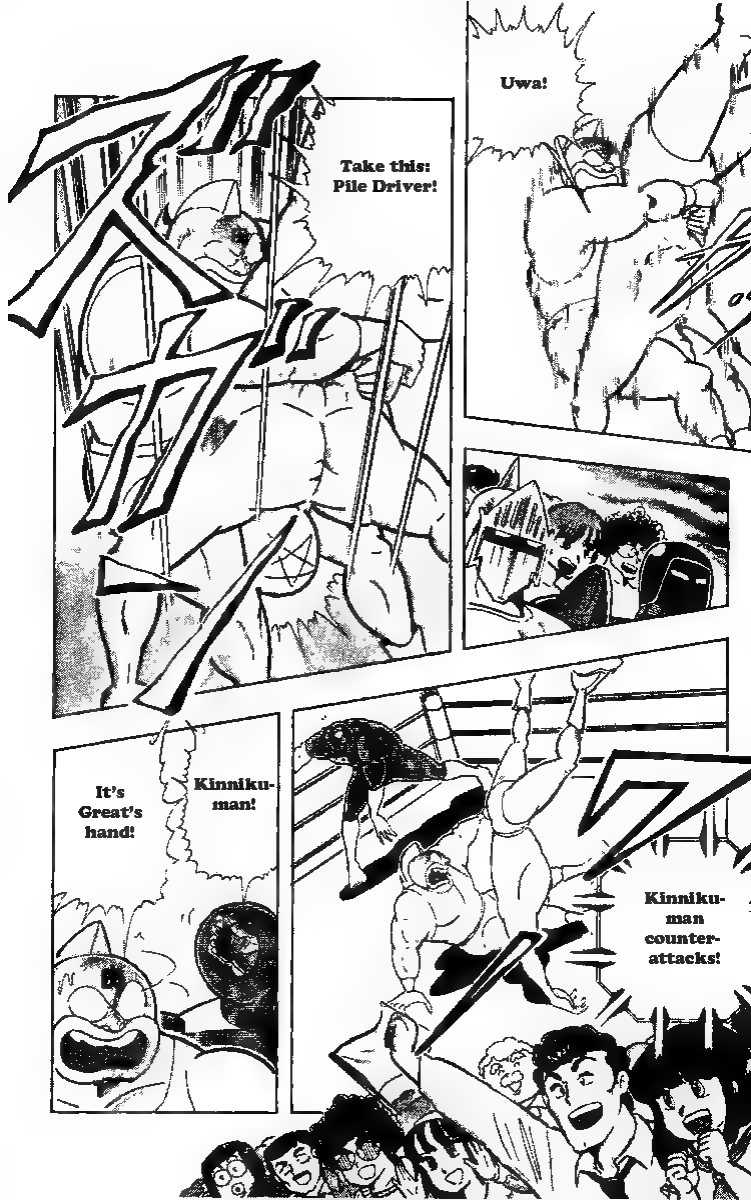
I've been thinking about what your Chronos Change is! "Chronos" was the god of time!

How did you manage to get a power like this!? It can reverse any situation!
That means the star on your face is a switch that controls space and time, so you can bend it just by turning the star!

...will be used by me!
Chronos Change!

However, this time your Chronos Change...

So that's how he managed to reverse all of their techniques!



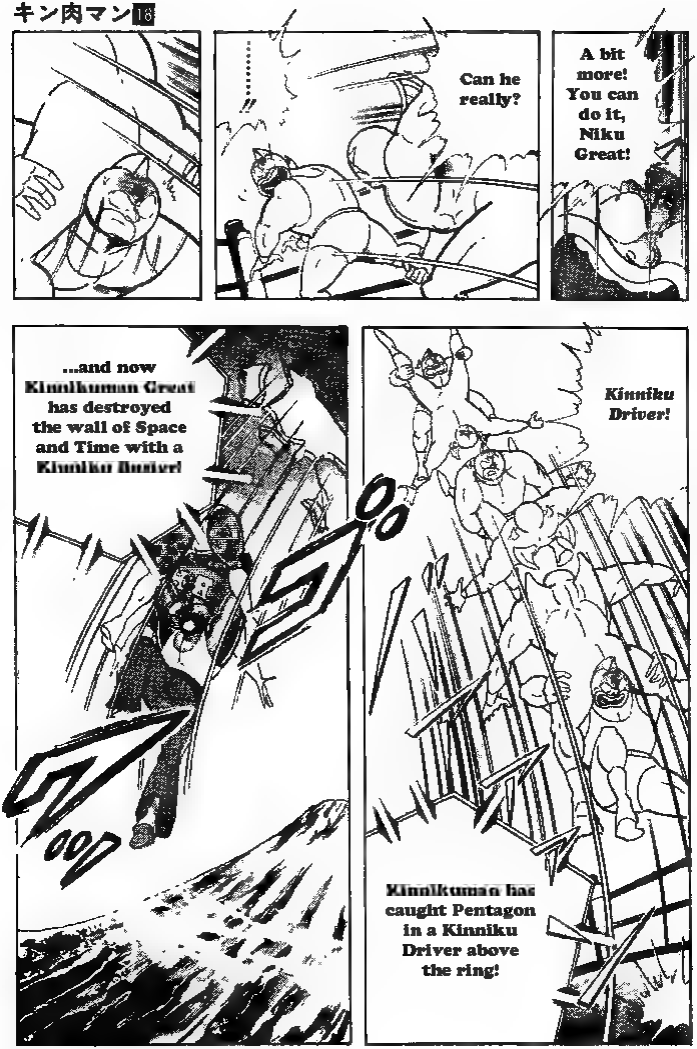
Take this: Pile Driver!
Uwa!
It's Great's hand!
Kinniku-man!
Kinniku-man counter-attacks!

Niku Great!
Your mask!
ズズズズズ
Ah, Black Hole's [illegible]!
The road between 4-D and 3-D has been closed off!
Ka hahaha!
So without Kinnikuman Great, they can't win no matter what!
No, it's a tag championship. They won't be declared the winner unless both of them are there at the end of the match.
Kinnikuman is the only one still fighting. Can the Muscle Brothers still win?
He vanished!

Kinnikuman
Great, where ever you may be!
Don't give up on your goals!
I'll escape no matter what!
I hear you, Kinnikuman!
Hiyah!

Black Hole, why are you here!?
Kakaka, that's impossible!
I've come to end your life!
Uwa!

So he really can't escape?
Kinniku Buster!
Geh!
A crack has appeared in the sky!
KINNIKUMAN, I'M TRYING TO ESCAPE AS WE SPEAK!
Amazing!
Oh!
Oh?



Can he really?
A bit more! You can do it, Niku Great!
...and now Kinnikuman Great has destroyed the wall of Space and Time with a Kinniku Buster!
Kinniku Driver!
Kinnikuman has caught Pentagon in a Kinniku Driver above the ring!

MUSCLE DOCKING!
It's a dream combination of the Kinniku Buster and the Kinniku Driver!

It's the combination of the century: The Kinniku Buster and the Kinniku Driver!
It can't be!
A docking of Kinniku Buster and Driver!?
That's...
Is that even possible!?

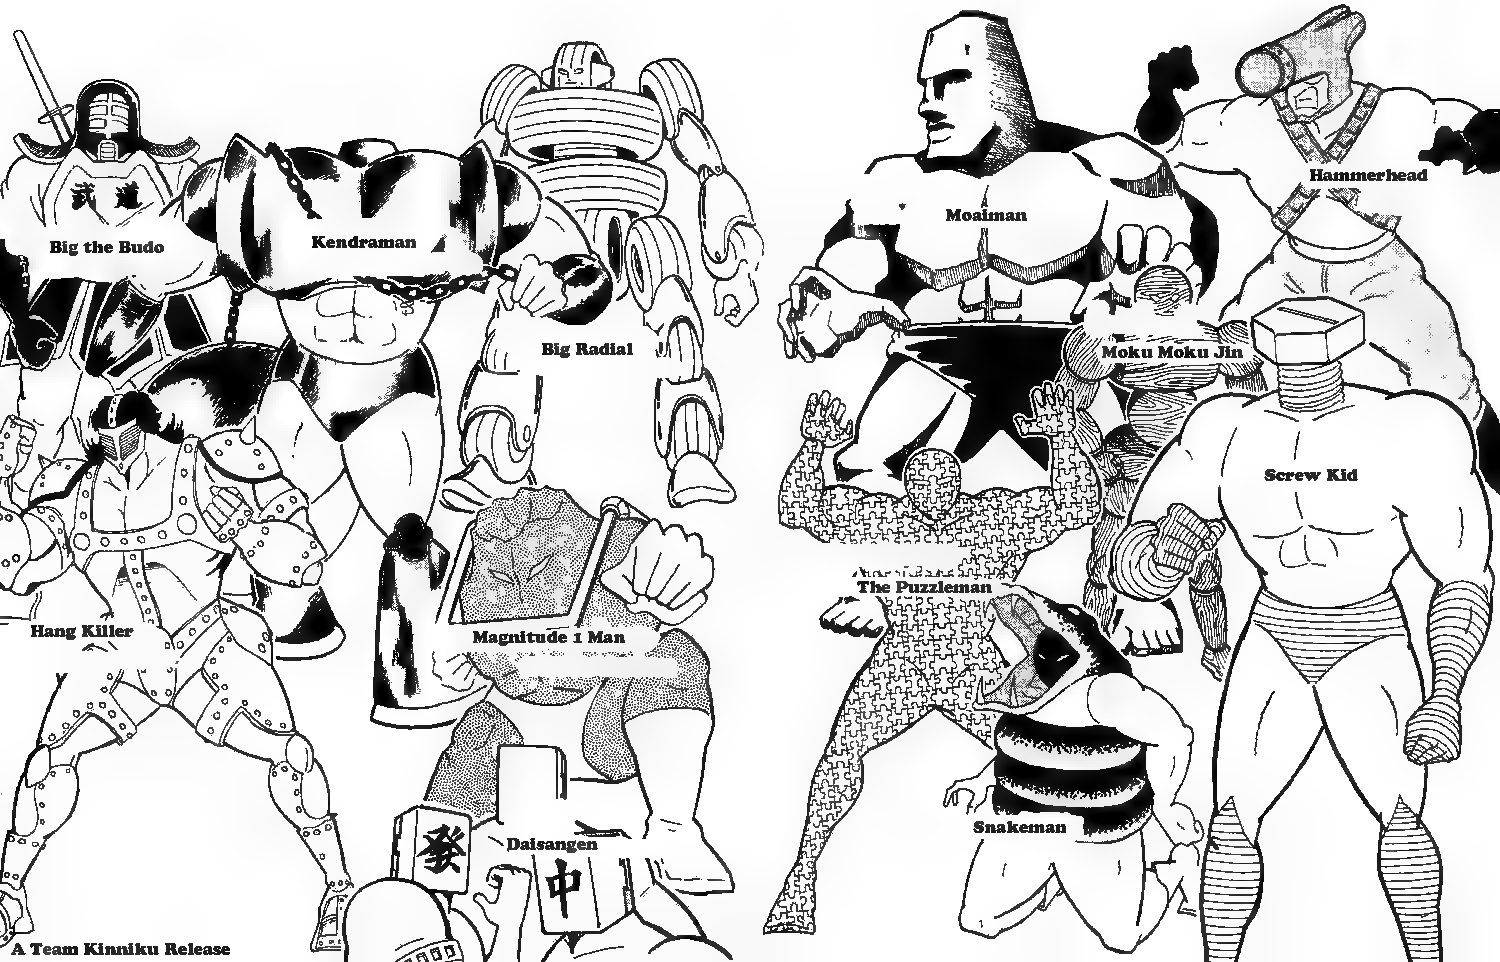
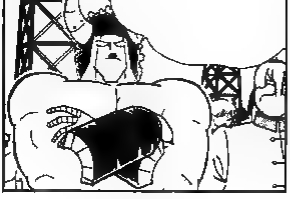
Dream Chojin Tag Arc 9

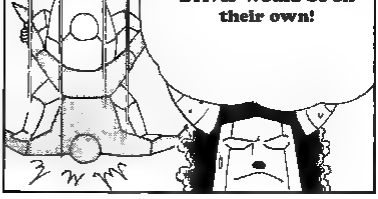
Mysterious New Power!



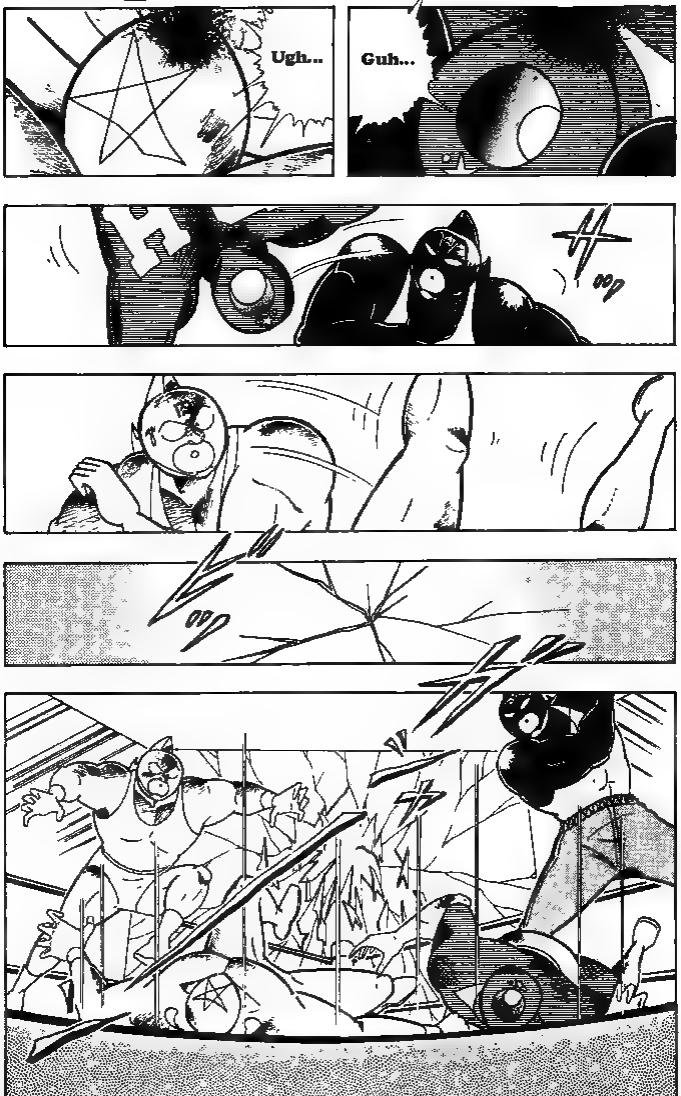
The audience is silent from the artistic tag team attack just used by the Muscle Brothers.
フレーフレー キン肉マン



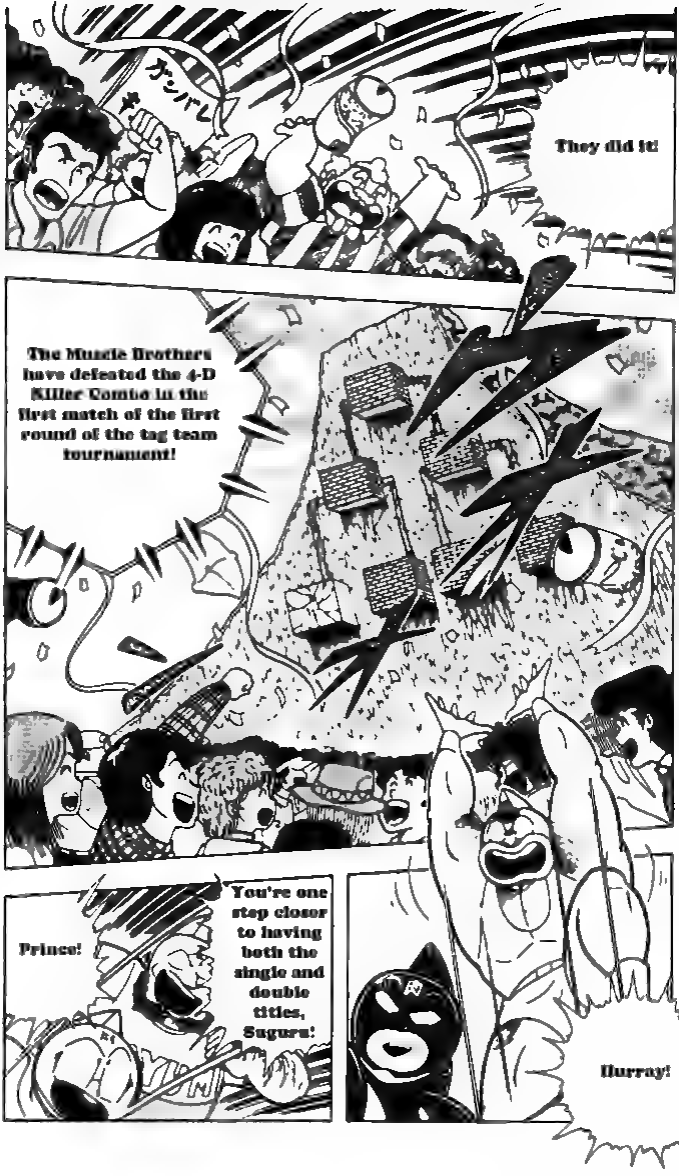
I don't think Black Hole and Pentagon will be getting up after that.



The Muscle Docking is two... no, ten times stronger than the Kinniku Buster or Driver would be on their own!



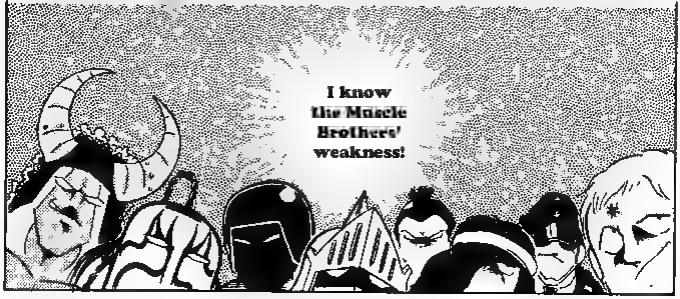
Ugh...
Guh...
ooo
ooo



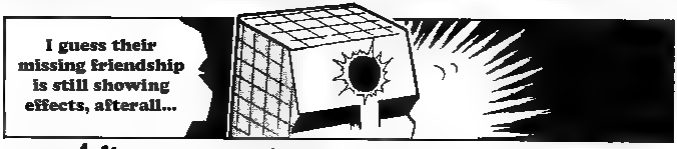
They did it!
The Muscle Brothers have defeated the 4-D Killer Combo in the first match of the first round of the tag team tournament!
Prince!
You're one step closer to having both the single and double titles, Suguru!
Hurray!

That finisher was amazing!
Nice one, Kinniku-man!
Right, guys?
He should be glad that he won a match. Although I can't help but feel sorry for the 4-D Killer Combo, having been beaten by such a weak team
Terryman and the others are congratulating Kinnikuman...
Oh, sorry.
Alright Niku, let's rest until the second round. We'll get changed, then watch the rest of the matches.
That's impossible! We still have their friendship inside of this box!
It's nothing.
Are you alright? Your face doesn't look so good...

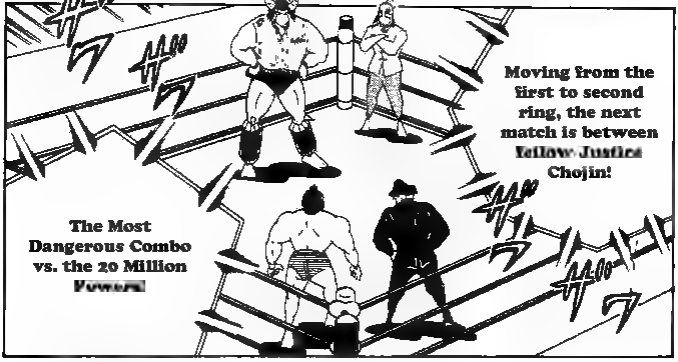
Niku!
Yeah, I'm just a bit tired...
Are you sure you're alright?
If I'm right, then we can easily defeat them by dragging the match out...
He must be a veteran Chojin who is at least 40 or 50 years old...
His trembling legs reveal his old age!
Kinnikuman Great... He must be worn out due to low stamina...



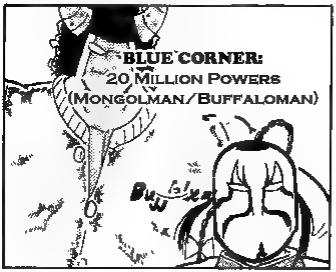
I know the Muscle Brothers' weakness!



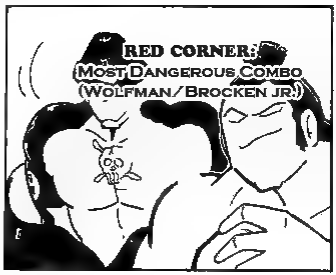
I guess their missing friendship is still showing effects, afterall...



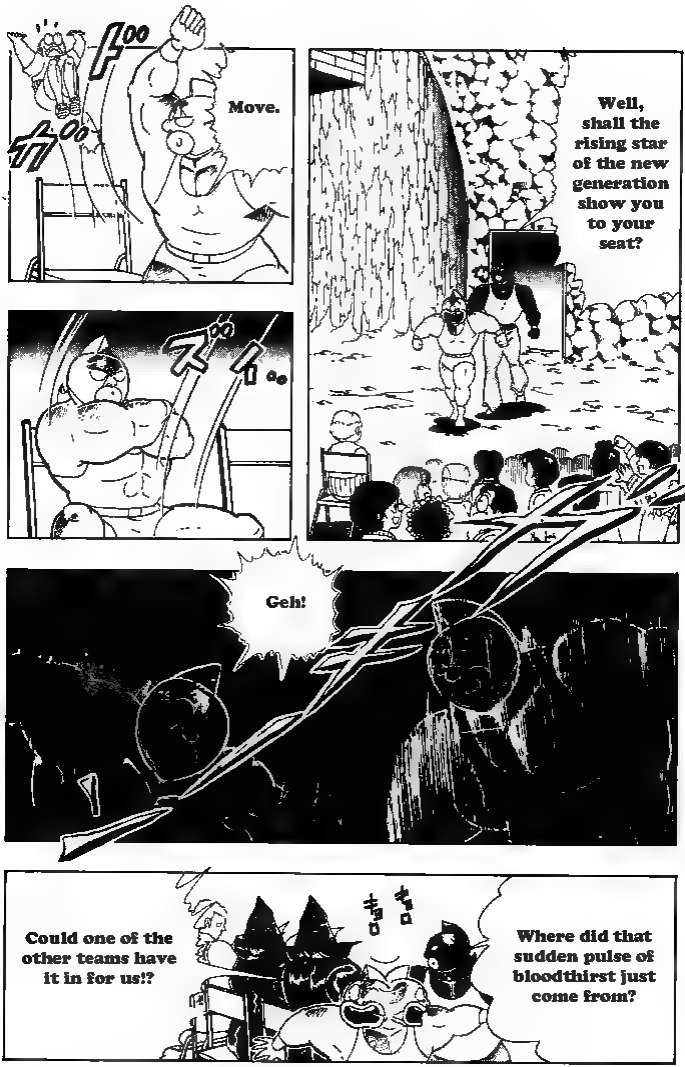
Moving from the first to second ring, the next match is between Fellow Justice Chojin!
The Most Dangerous Combo vs. the 20 Million Powers!



BLUE CORNER:
20 Million Powers
(Mongolman/Buffaloman)

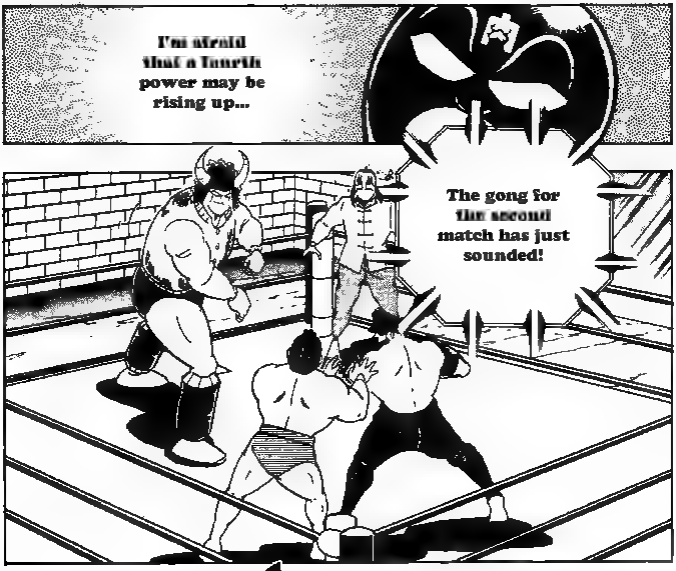


RED CORNER:
Most Dangerous Combo
(Wolfman/Brocken Jr.)

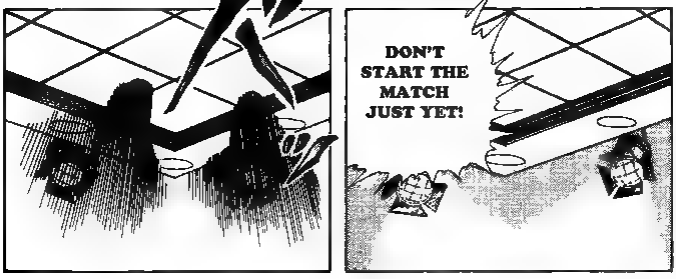


Move.
Well, shall the rising star of the new generation show you to your seat?
Geh!
Could one of the other teams have it in for us!?
Where did that sudden pulse of bloodthirst just come from?

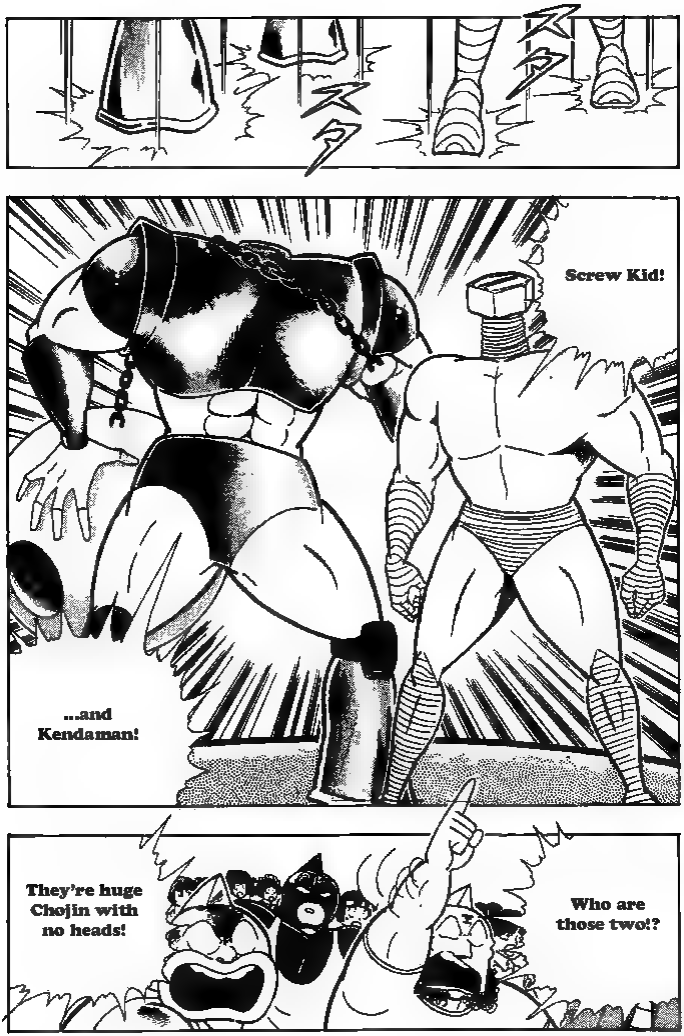
It's not from a Brutal, Justice, or Devil Chojin...
This isn't a bloodthirst I've felt before...



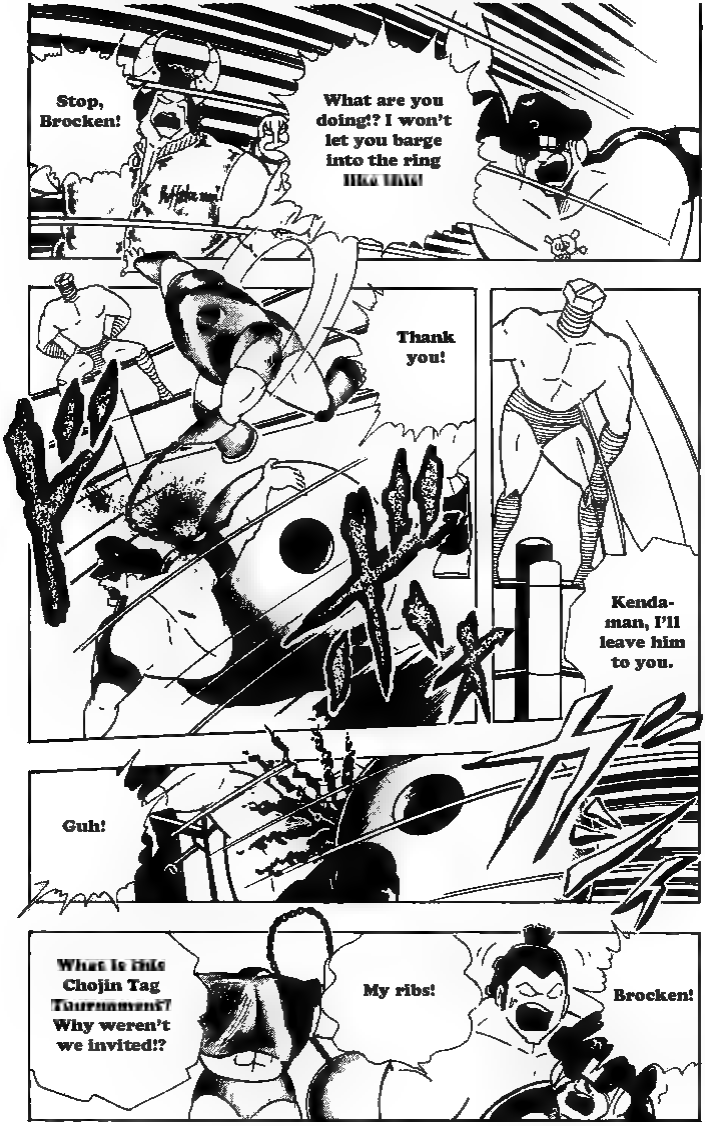
I'm afraid that a fourth power may be rising up...
The gong for the second match has just sounded!



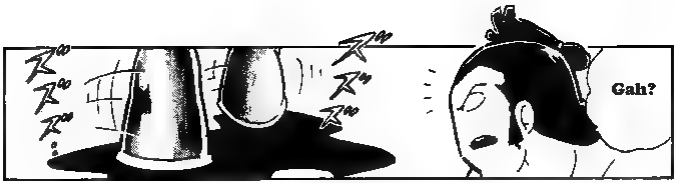
DON'T START THE MATCH JUST YET!



note: "Kendama" is the Japanese version of "ball in a cup".

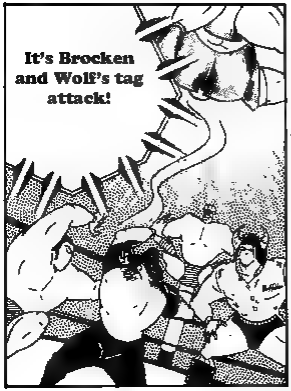


Stop, Brocken!
What are you doing!? I won't let you barge into the ring like this!
Thank you!
Kenda-man, I'll leave him to you.
Guh!
What is this Chojin Tag Tournament? Why weren't we invited!?
My ribs!
Brocken!



Gah?

Right, they're headless Chojin! If we use that to our advantage, we can beat them!
He's just wandering around, hoping to find us!
Look Brocken! That Chojin roaming around his no eyes!



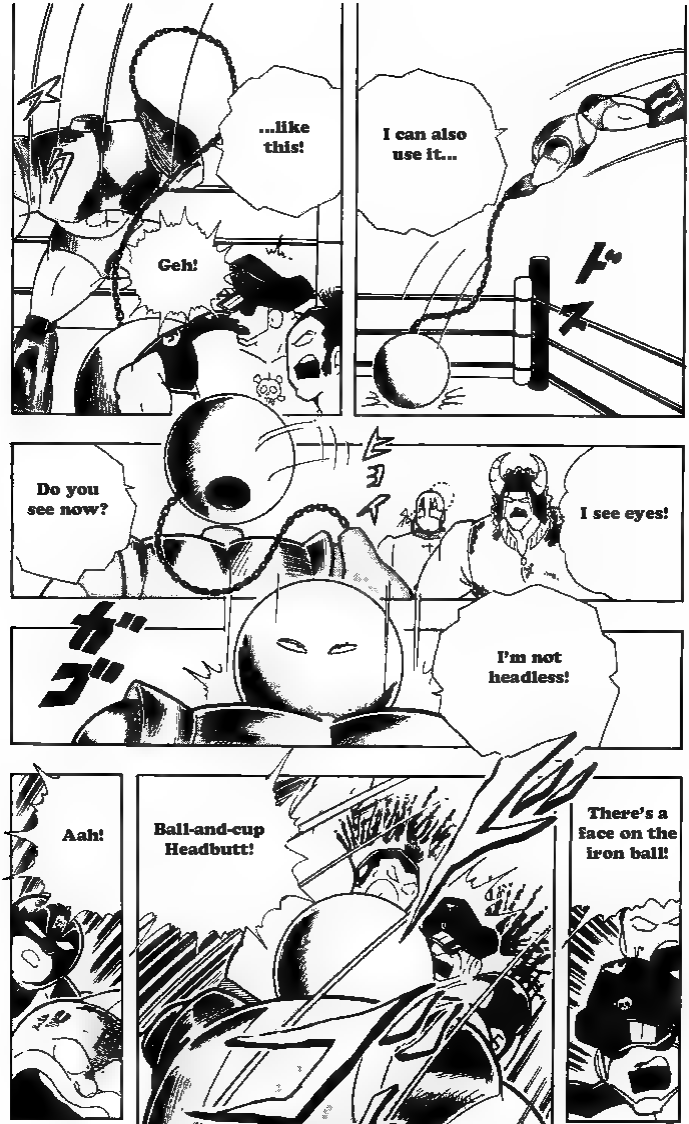
It's Brocken and Wolf's tag attack!

Oof!

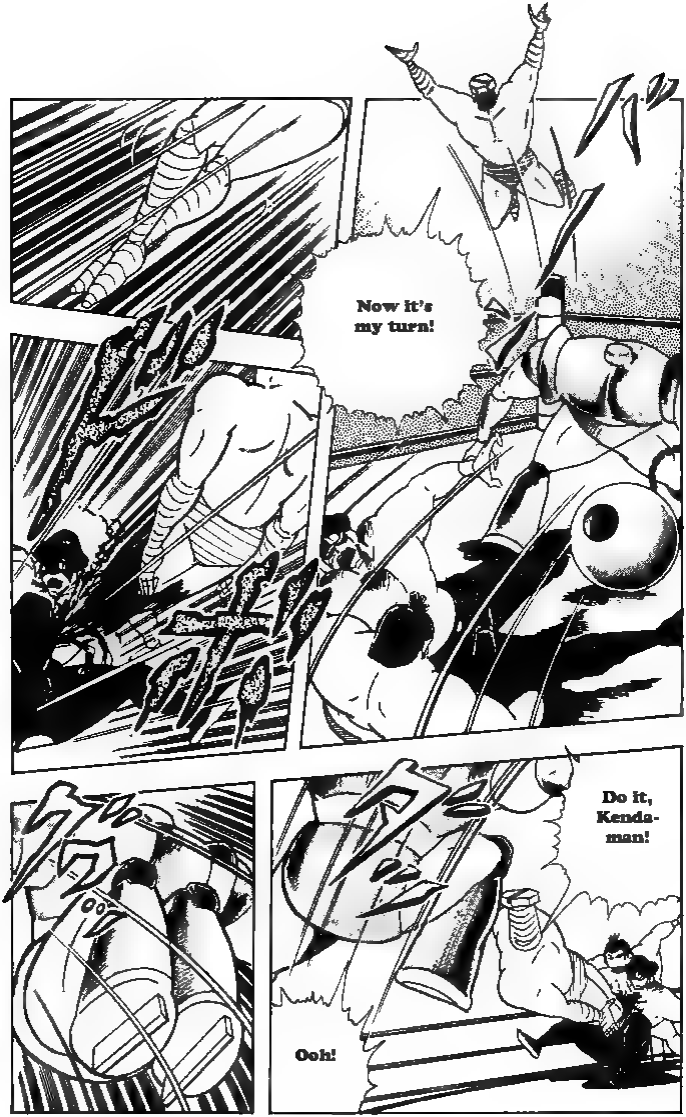
Hiyah!

I don't just attack with my iron ball!

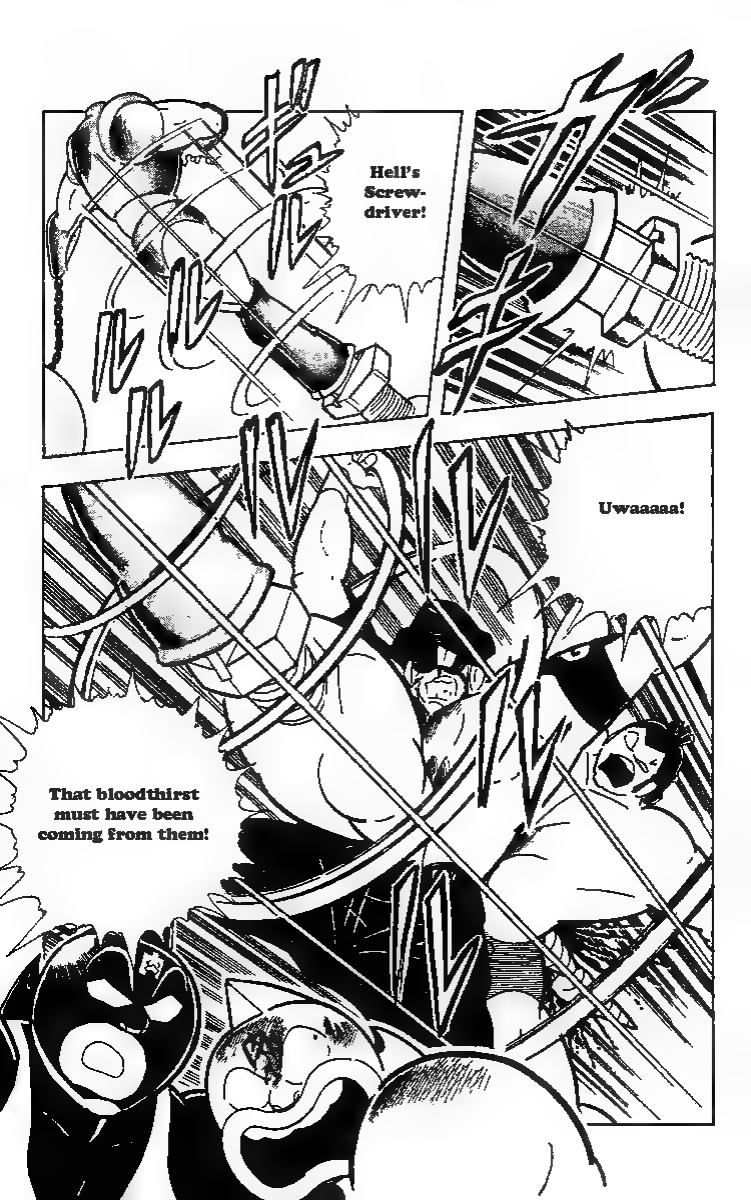
Gehe-hehehe-hehe!



...like this!
Geh!
I can also use it...
ドス
Do you see now?
ヒョイ
I see eyes!
ガゴ
I'm not headless!
Aah!
Ball-and-cup Headbutt!
There's a face on the iron ball!



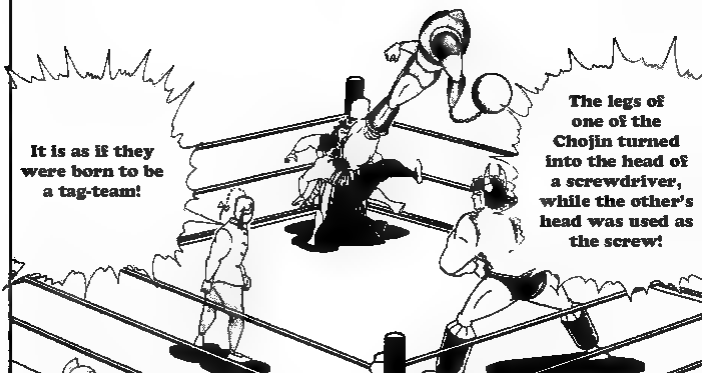
Now it's my turn!
Do it, Kenda-man!
Ooh!



Hell's Screw-driver!
Uwaaaaa!
That bloodthirst must have been coming from them!

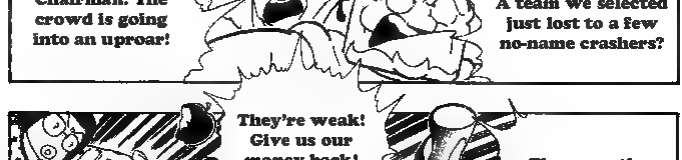
The Truth About the 4th Power!

Guwaaaaaaaah!
Brocken jr. and Wolfman, who were supposed to be fighting in this match, have been injured by these two trespassers!
Kar kar kar kar!
Gehehehe! How do you like our Hell's Screwdriver?



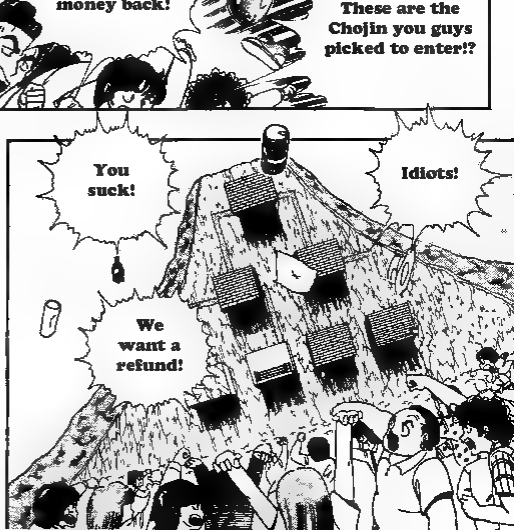
It is as if they were born to be a tag-team!
The legs of one of the Chojin turned into the head of a screwdriver, while the other's head was used as the screw!

It's terrible, Chairman! The crowd is going into an uproar!
What's going on? A team we selected just lost to a few no-name crashers?



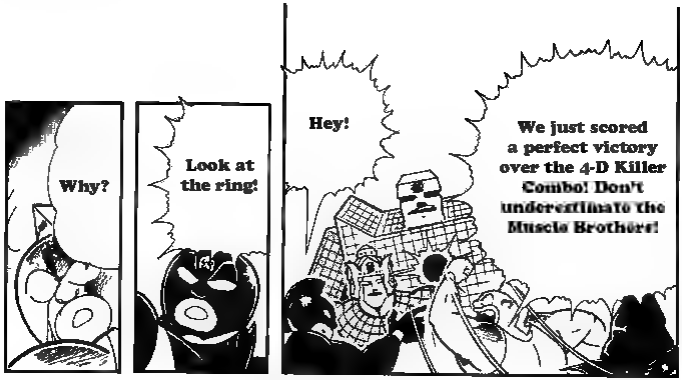
They're weak! Give us our money back!
These are the Chojin you guys picked to enter!?

Gehehehe! That's right, get angry! Tell them how weak those Chojin were!

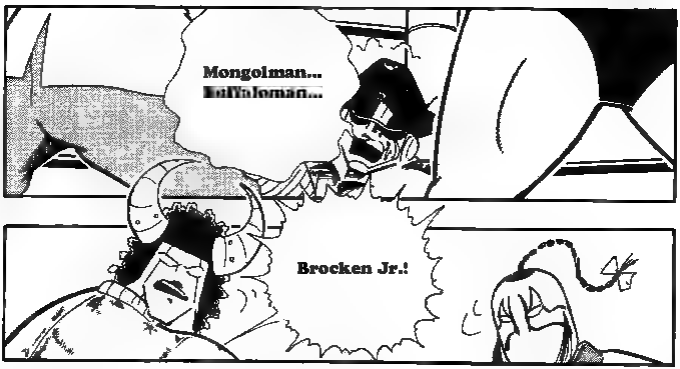


You suck!
Idiots!
We want a refund!

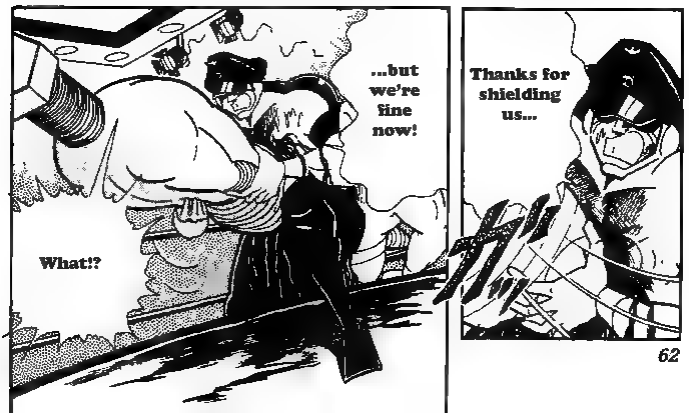
We have to protect Brocken and Wolfman from this riot!
Owa!
Hey, you're aiming for me on purpose, aren't you!?
Ow!
At first I was a bit worried about some of the other teams who entered, but it seems I was mistaken...
At least we know there's one team who won't make it to the finals.



Why?
Look at the ring!
Hey!
We just scored a perfect victory over the 4-D Killer Combo! Don't underestimate the Muscle Brothers!



Mongolman...
Brocken Jr.!



What!?
...but we're fine now!
Thanks for shielding us...

You were hit by our Hell's Screwdriver...
How are you still standing!?
Guh!
He did it...
I've wounded my body... I have no real reason to fight you...
And I've lost my partner Wolfman...

Brocken!
Listen to me... I couldn't face you or the audience if you you have to take pity on us for being weak...
Just do it, Buffalo-man!
Brocken, we can't count this! You're not in a [illegible] to even fight us!
Remember, this is a match between the 20 Million Powers and the Most Dangerous Combo. This is your victory...

3
!!

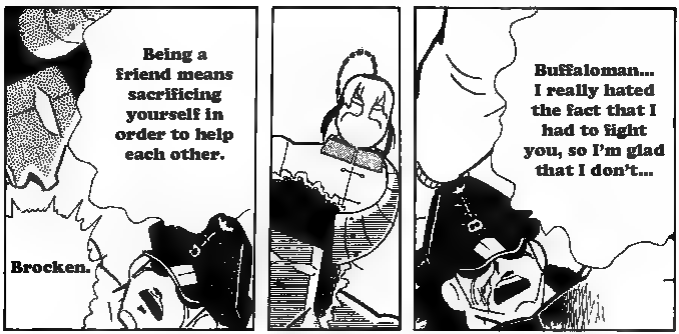
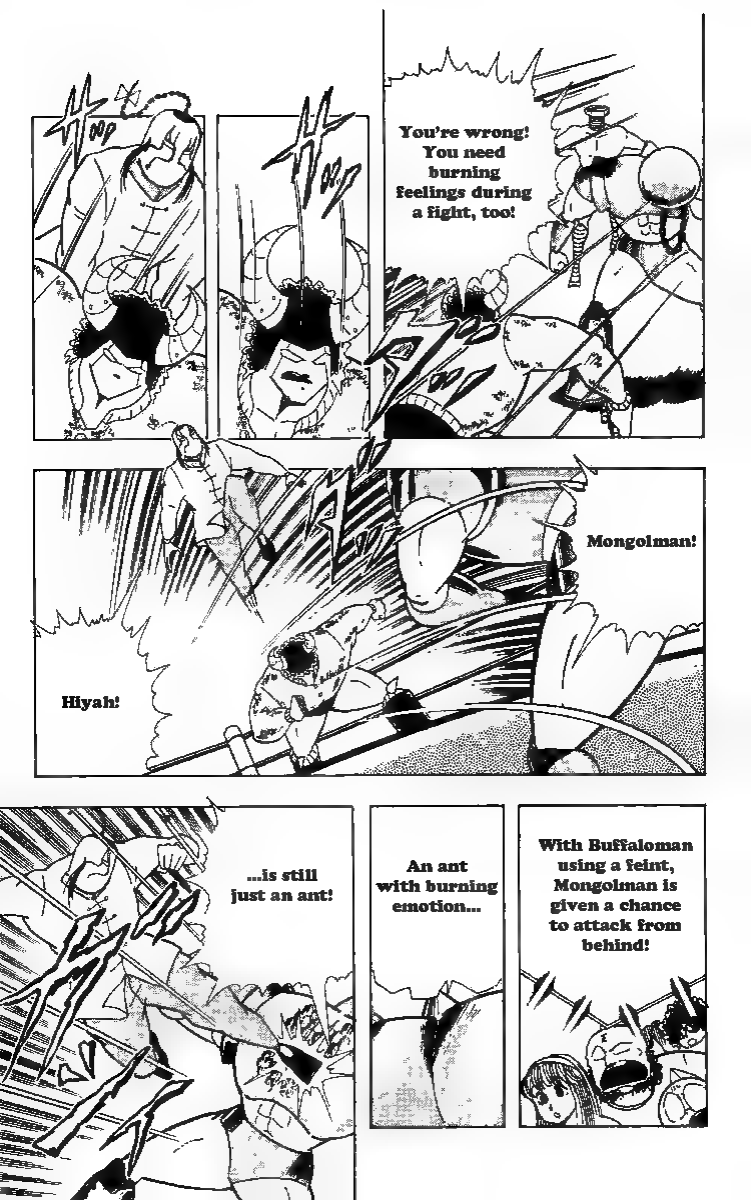
!
I see.
1
20 Million Powers!
After all that's happened, it seems the 20 Million Powers have defeated the Most Dangerous Combo and will move on to the next round!



Being a friend means sacrificing yourself in order to help each other.
Brocken.
Buffaloman... I really hated the fact that I had to fight you, so I'm glad that I don't...

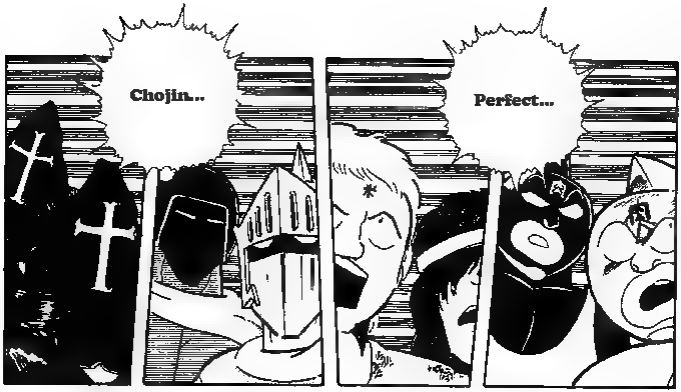
What are you trying to say? We Devil Chojin don't have guys like that. We're pretty sure they were sent by you Justice Chojin or the Violent Chojin.
You sent that team to disrupt their match, didn't you?
That's exactly what I'd expect from a Devil Chojin.
Speaking as a Violent Chojin, I have never seen these two before, either!
They don't belong to the Justice, Devil or Violent Chojin! Then who sent them!?
"Justice", "hatred", and "friendship" are all worthless concepts in a fight. A real fight is a throwdown between two powerful bodies! Whoever is even a bit stronger will gain victory!
Hey, don't group us in with that "good" or "evil" nonsense, you ants!



You're wrong! You need burning feelings during a fight, too!
Mongolman!
Hiyah!
...is still just an ant!
An ant with burning emotion...
With Buffaloman using a feint, Mongolman is given a chance to attack from behind!

You...
Uwa! My leg!
It can never strike a mighty elephant!
Mongol-man!
You can't stop Buffaloman's 10 Million Power!
You mean like this?
Geh!

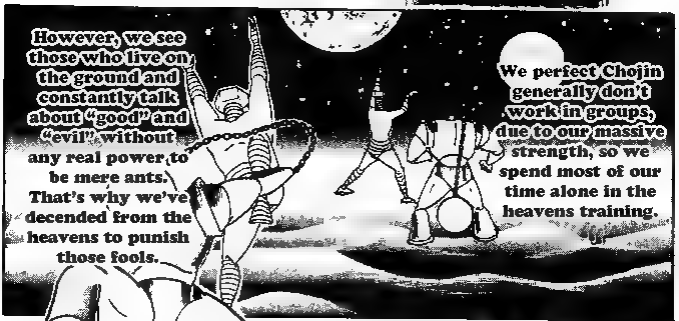
Guh!
He stopped the 10 Million Power!
We're perfect. We have Chojin Hardness 10 (Diamond) in both attack and defense!
We have 15 Million Power!
Your Chojin Power is above 10 Million?
They call us the Perfect Chojin!



Chojin...
Perfect...

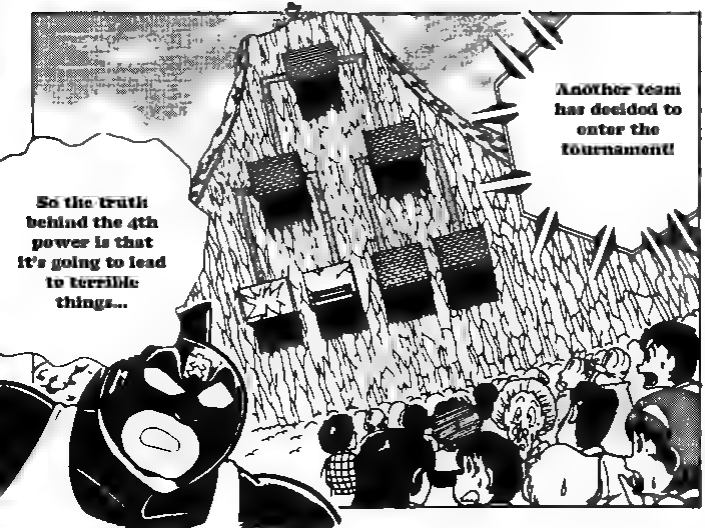
They're Chojin who have transcended all emotions, making them the closest to the gods!
If what they say is true, then I've heard of their kind before.

Let me tell you.



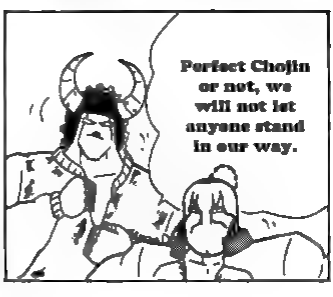
However, we see those who live on the ground and constantly talk about "good" and "evil" without any real power to be mere ants. That's why we've decended from the heavens to punish those fools.
We perfect Chojin generally don't work in groups, due to our massive strength, so we spend most of our time alone in the heavens training.

Chairman, please allow us Perfect Chojin to formally take part in this tournament.

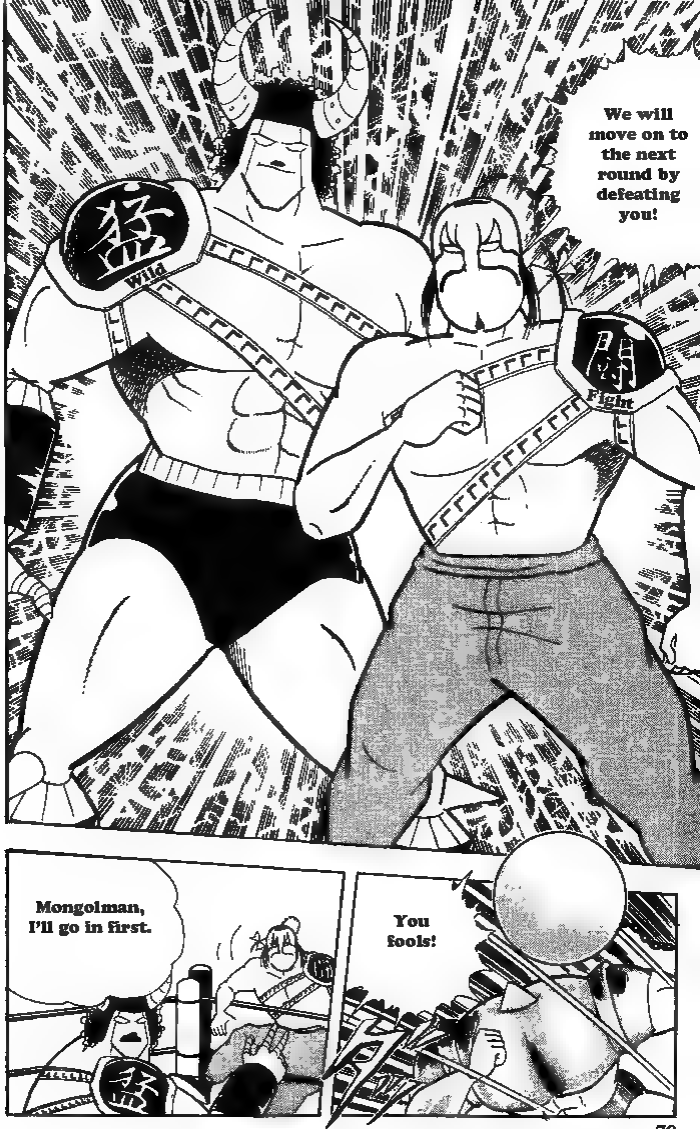


Another team has decided to enter the tournament!
So the truth behind the 4th power is that it's going to lead to terrible things...

Trespassing team, we, the 20 Million Powers, formally challenge you!



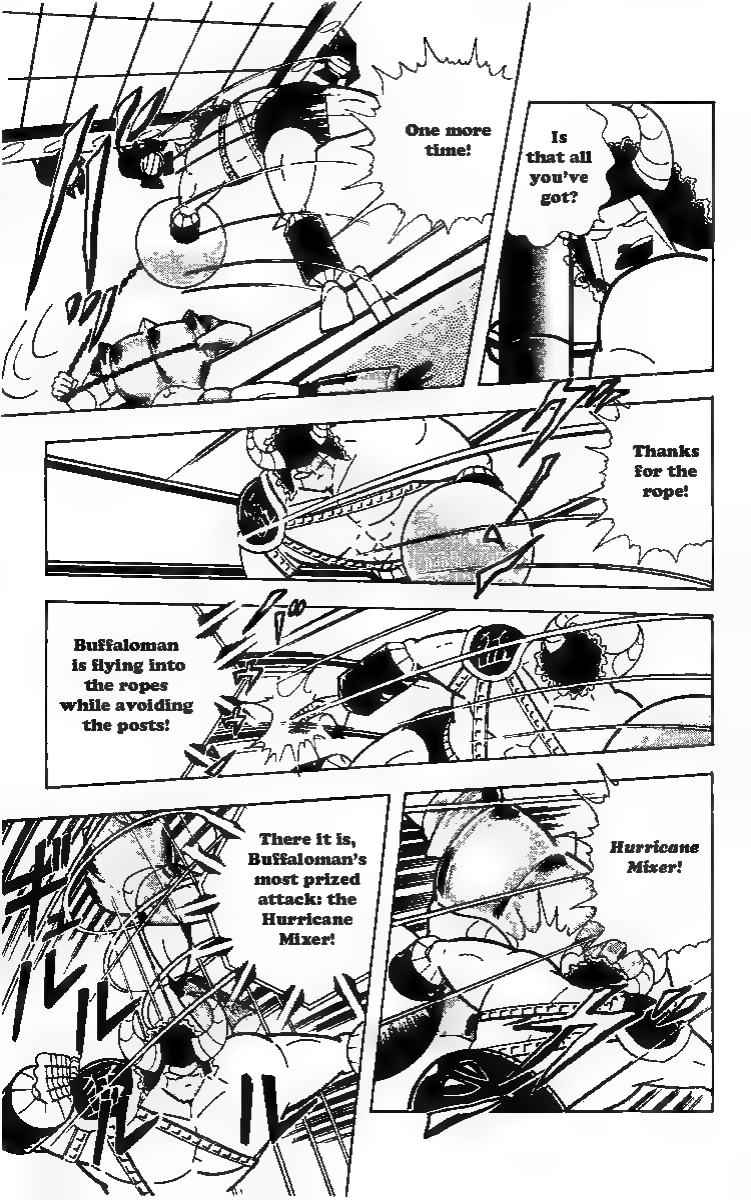
Perfect Chojin or not, we will not let anyone stand in our way.



We will move on to the next round by defeating you!
Wild
Fight
Mongolman, I'll go in first.
You fools!

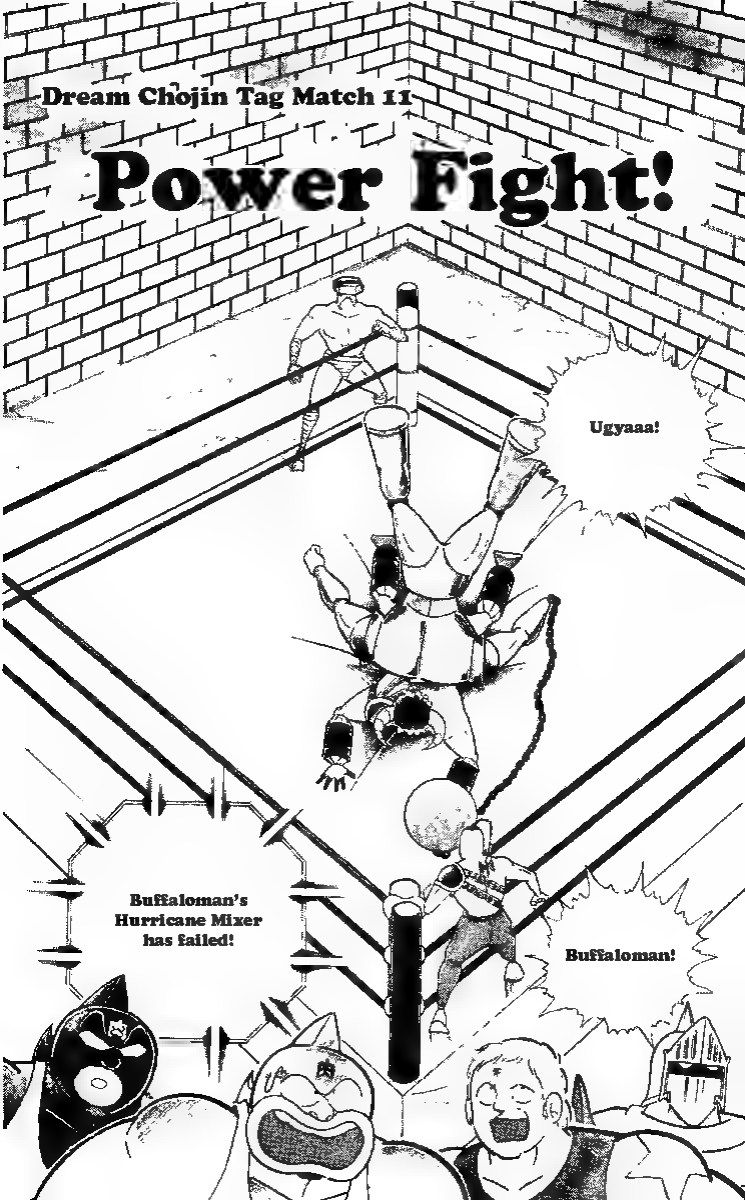
The first fighters are Kendraman and Buffalo-man!
What are you doing, Buffalo-man!? Attack!
Guwaha-haha!
Loud and clear!
I hear you!
Perfect Chojin never back down from an opponent's attack. If we can defeat it, then we'll break it quickly then strike afterwards.
Kaaa!

It looks like he put the ball on his hand!
There!
Buffaloman is attacking the iron ball!
He's turned it into a chained deathmatch!
You...!
I'll teach you how things work!
Guhehehehe! So a 10 Million Power Chojin is trying to defeat a 15 Million Power Chojin!?



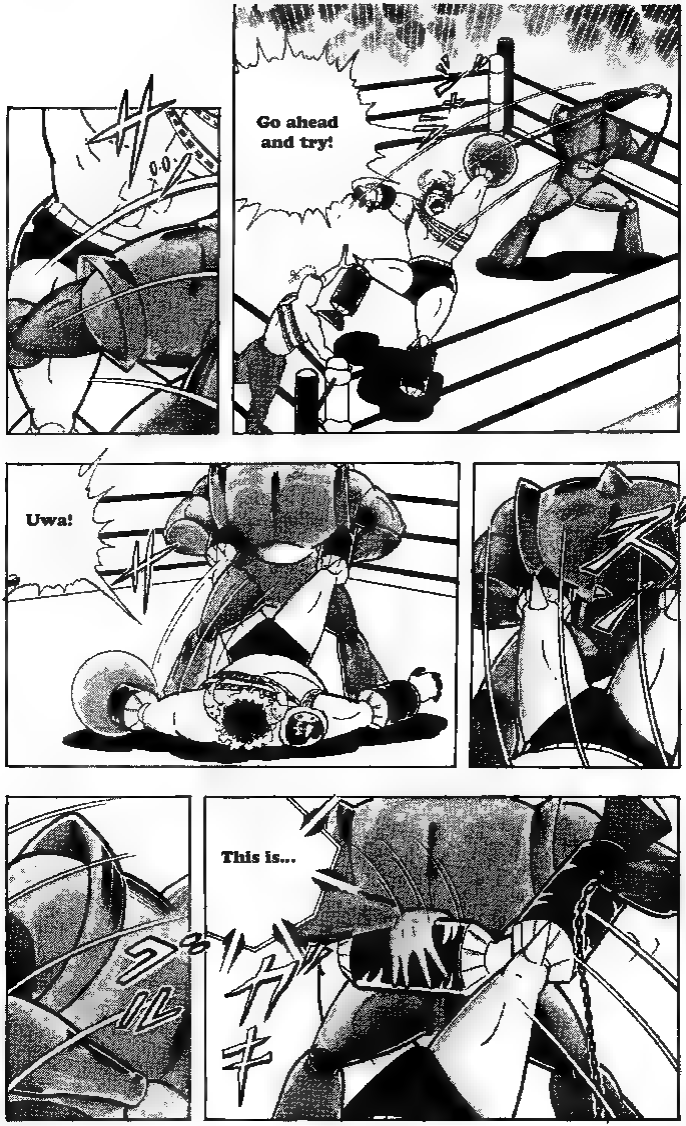
One more time!
Is that all you've got?
Thanks for the rope!
Buffaloman is flying into the ropes while avoiding the posts!
There it is, Buffaloman's most prized attack: the Hurricane Mixer!
Hurricane Mixer!

No, the chain! It's going to stop the Hurricane Mixer!
Huh?
He did it! This is his win!
Sorry, but you can only knock me as far as my chain goes!
Geh!
Gahaha-haha!

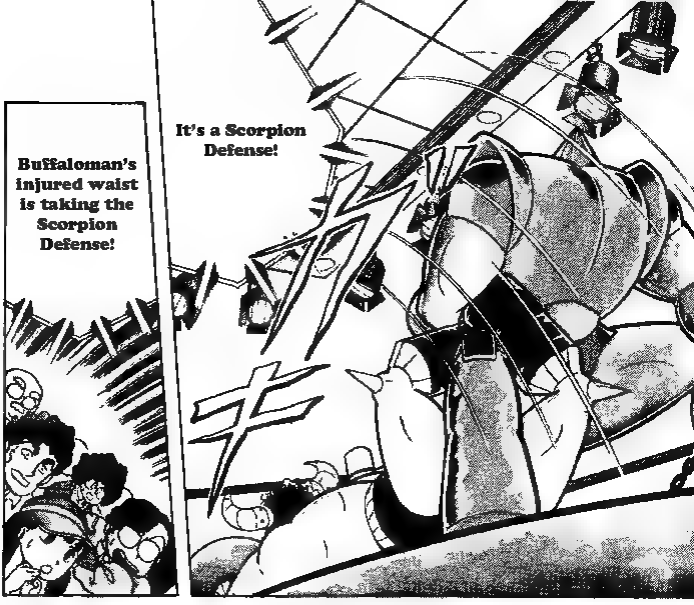


Dream Chojin Tag Match 11
Power Fight!
Ugyaaa!
Buffaloman's Hurricane Mixer has failed!
Buffaloman!

Since this is a chained deathmatch, the chain stops the opponent from being thrown into the air and stops any further hits.
The Hurricane Mixer is his deadly attack that throws the opponent in the air and does more damage each time they come back down!
This cannot be. Buffaloman, the chain deathmatch you created has worked against you.
You inferior Chojin are soft! A perfect Chojin would never do that!
Uhyahyahya! He acted without considering the consequences!
Good, you are alive, Buffaloman! Now, tag me in!
I'm not down yet!
Even if I'm an inferior Chojin...



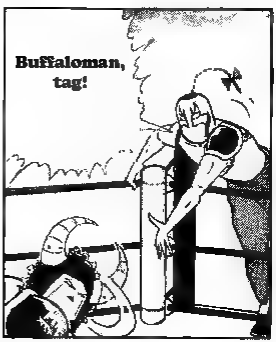
Go ahead and try!
Uwa!
This is...



Buffaloman's injured waist is taking the Scorpion Defense!
It's a Scorpion Defense!

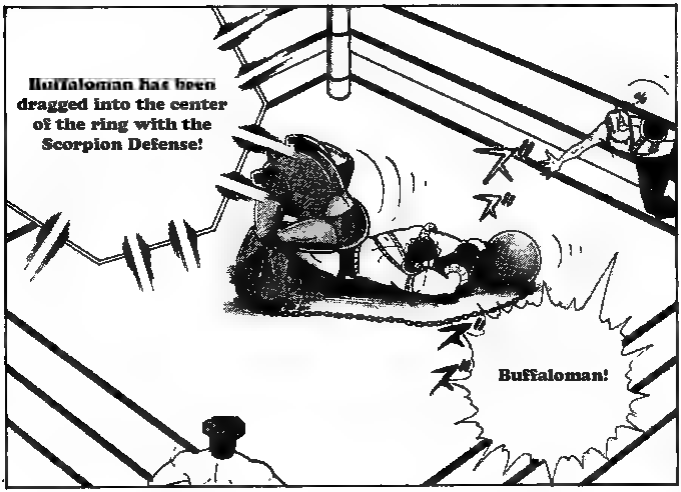
Guo!

Afterwards, you can take care of Screw Kid.
Mongolman, nothing will hurt these guys. No matter what happens, I'll take Kendaman down with me!

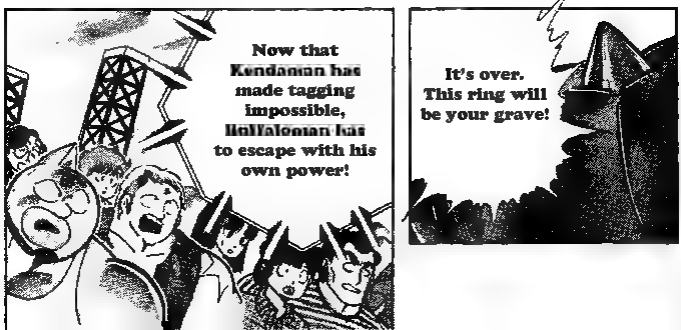


Buffaloman, tag!

I beg you. Do it for the 20 Million Powers!

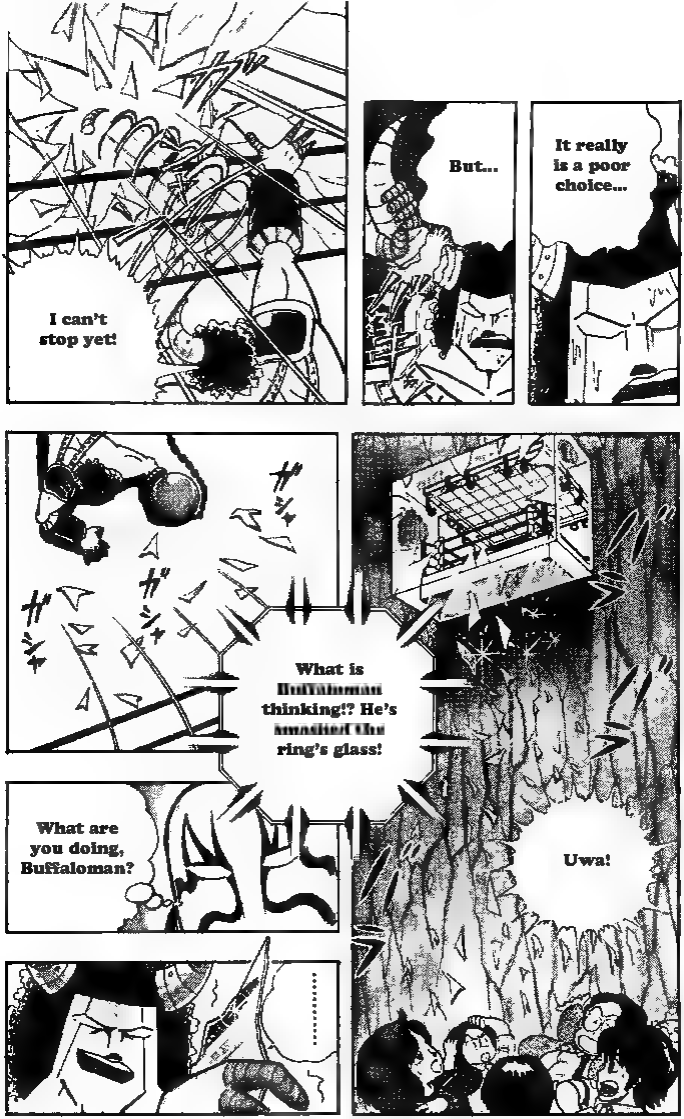


Buffaloman has been dragged into the center of the ring with the Scorpion Defense!
Buffaloman!



Now that Kendaman has made tagging impossible, Buffaloman has to escape with his own power!
It's over. This ring will be your grave!

The 4th power is alright by me. Gahahaha!
KAKAKA, those Perfect Chojin... At first I thought they were suspicious, but since they're taking care of the 20 Million Powers for us, we'll win for sure!
What's going on? Why is someone as strong as Buffaloman having such a hard time!?
Do you want to end up like Buffaloman?
But if the Perfect Chojin keep winning, then we'll have to fight them eventually.
They talked!
Don't you think it's a bad choice for 10 Million Power to try to defeat 15 Million?
In the ring, Buffaloman is on the verge of giving in to the Scorpion Defense!
Guo fuo fuo fuo!
That's a fight for these two!



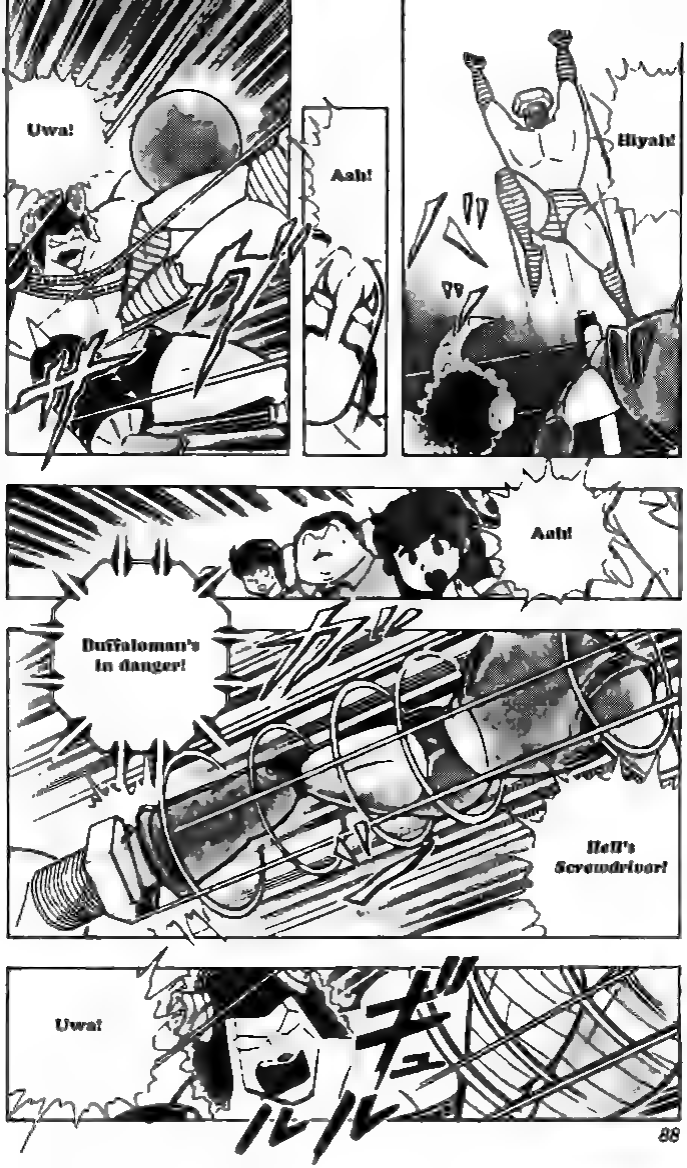
I can't stop yet!
But...
It really is a poor choice...
What is Buffaloman thinking!? He's smashing the ring's glass!
What are you doing, Buffaloman?
Uwa!
.....

You are an inferior Chojin afterall. You can't win in a match of power, so you resort to using a weapon!
You've been pretending to be a Justice Chojin up until now, but it looks like your devil's nature has taken over.
Do you intend to stab me with that, Buffaloman?
It looks like I almost went down the wrong path.
Heh... I need to be careful.
...a devil any-more!
Guo!
I am not...

Buffaloman has escaped the Scorpion Defense!
I AM A JUSTICE CHOJIN!
Did you forget about the chain!?
Idiot!
No, I didn't.

Guh!
This time, Buffaloman has used the short chain to his advantage!
He did it!
Thanks, my legs are pretty messed up.
That is the end of Kunilaman. Leave the rest to me!
You haven't defeated me yet!
Buffaloman!

Is the iron ball!
Did you forget already? My head...
It can't be! I just slammed your head against the ring!
He's right!
Alright Kid, go for it!
Buffalo-man!
Ooh!
No matter what I do, it's all futile against a Perfect Chojin!

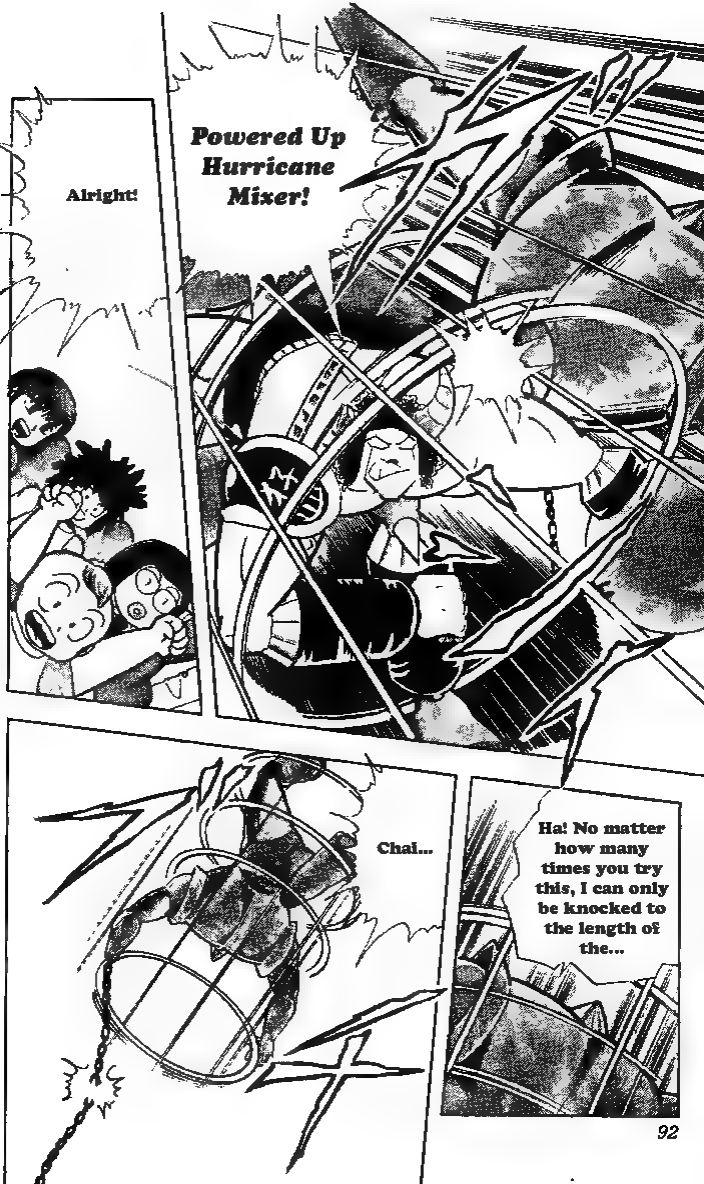


Uwa!
Aah!
Hiyah!
Aah!
Duffaloman's in danger!
Hell's Screwdriver!
Uwa!

Is this the end of the 80 Million Powers!?
Ugya!!
Hahahahn!
No...
It's over, Screw Kid!

It's not over!?
What!?
Mongolman's Cat's Tail technique has stopped the Rotation of the Hell's Screwdriver
The tressapassers have been shaken! Now Mongolman, add your power in mine!
What happened!? Our attack was perfect!

Right!
Ooh!
Mongol Bomber!
Ooh!
Airight, together we'll surpass Kendaman's 15 Million Power!



Alright!
Powered Up Hurricane Mixer!

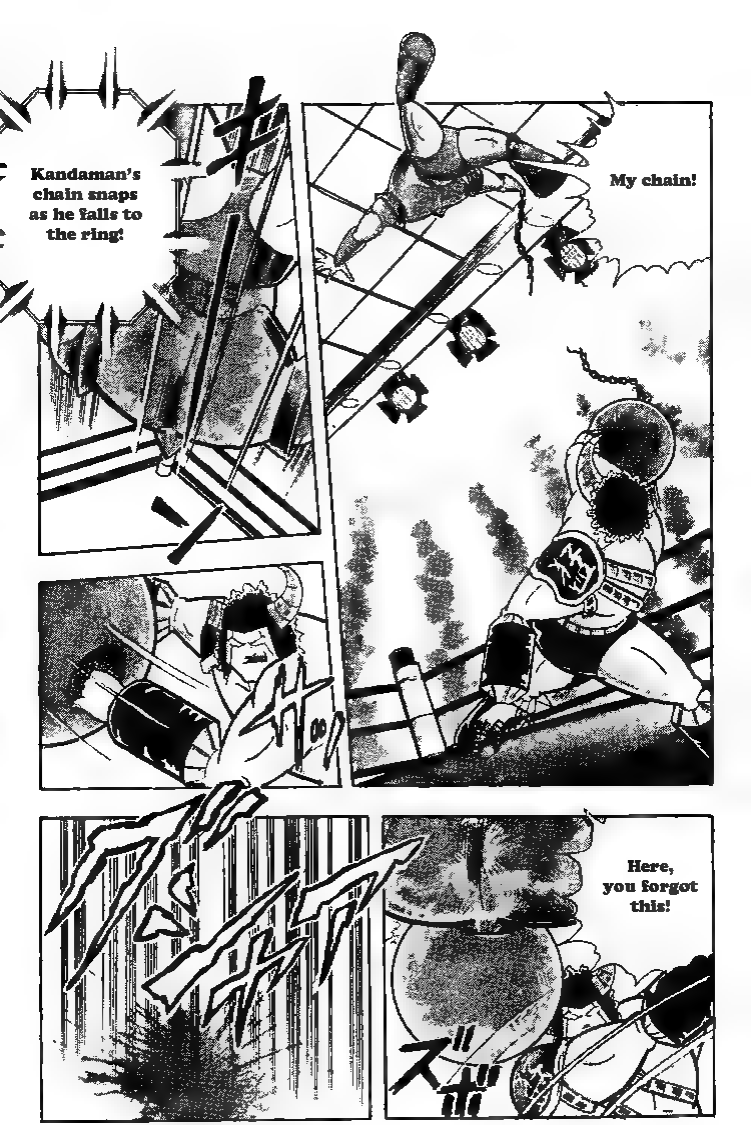
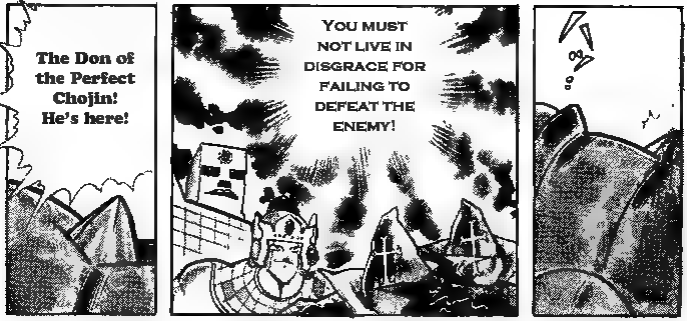
Ha! No matter how many times you try this, I can only be knocked to the length of the...

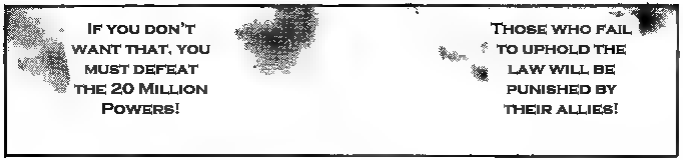


Kandaman's chain snaps as he falls to the ring!
My chain!
Here, you forgot this!

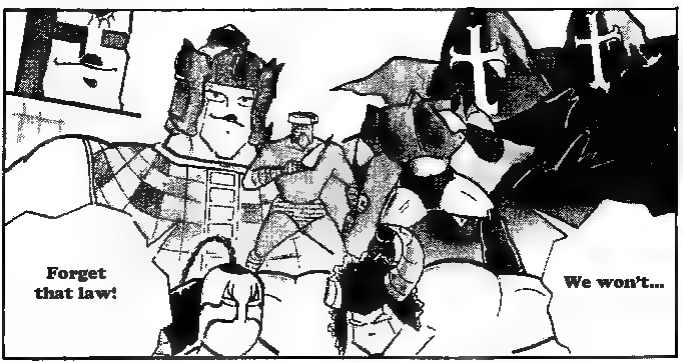
Uwaaa!
Kenda-man!
But when the attack was defeated, their panic was much worse, too!
The attack from those trasspassers was different than ours. It was perfect.
KENDAMAN! SCREW KID! HAVE YOU FORGOTTEN THE LAW OF THE PERFECT CHOJIN!?



The Don of the Perfect Chojin! He's here!
You must not live in disgrace for failing to defeat the enemy!
Oh?



If you don't want that, you must defeat the 20 Million Powers!
Those who fail to uphold the law will be punished by their allies!



Forget that law!
We won't...

Don't worry, your time on earth will both end at the same together!
Buffaloman, leave it to me!
Why would two Perfect Chojin who are so proud of their power...

Mongolman's face has been cut!
Mongol-man!
Uwa!

Mongolman, it looks like your real identitiy is that of a specific famous Chojin...
I'm okay! Since I'm a masked Chojin, I can take the attack without getting hurt!

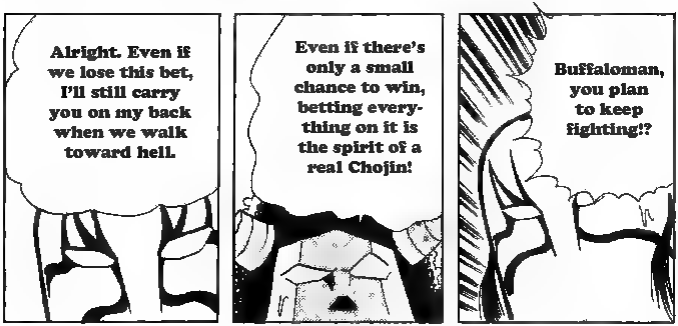
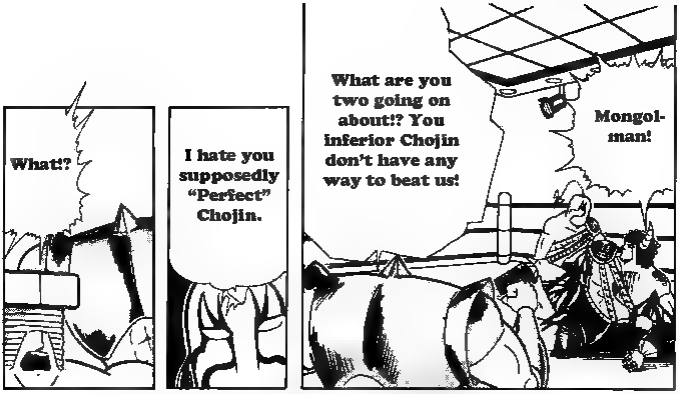
We'll end this now!
Buffaloman, are you alright?

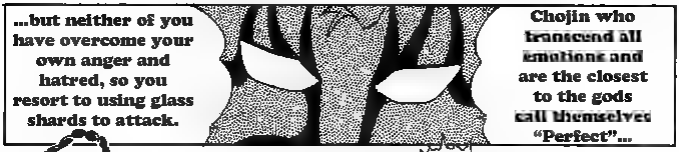
I still have one longhorn left...
Even though I can't use my arms or legs, I still...



Alright. Even if we lose this bet, I'll still carry you on my back when we walk toward hell.
Even if there's only a small chance to win, betting everything on it is the spirit of a real Chojin!
Buffaloman, you plan to keep fighting!?



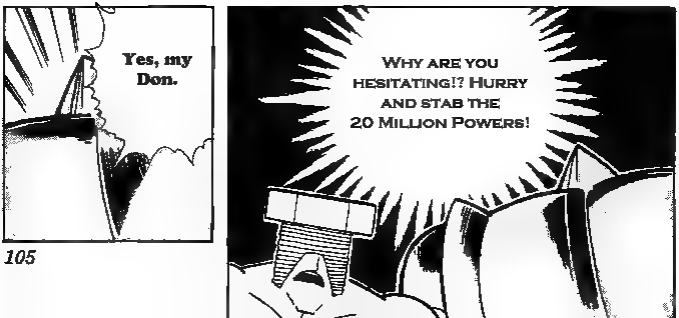
What!?
I hate you supposedly "Perfect" Chojin.
What are you two going on about!? You inferior Chojin don't have any way to beat us!
Mongol-man!



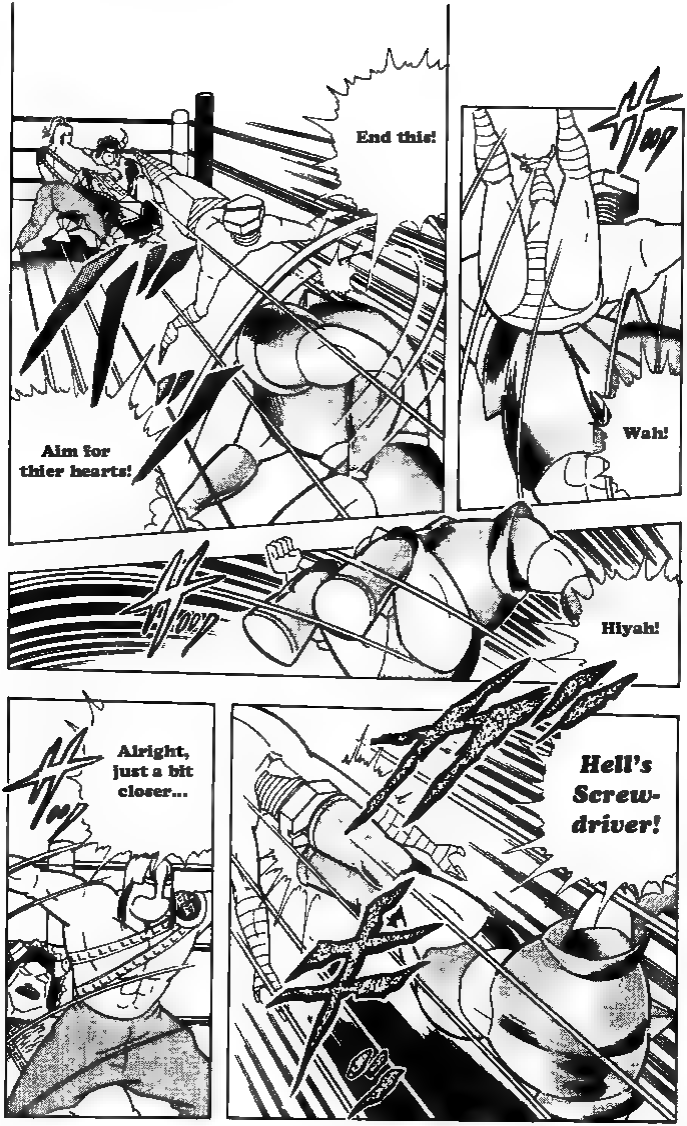
...but neither of you have overcome your own anger and hatred, so you resort to using glass shards to attack.
Chojin who transcend all emotions and are the closest to the gods call themselves "Perfect"...

Neither of you are perfect! You are just devils starving for blood!
Uh...

We're... devils?



Yes, my Don.
WHY ARE YOU HESITATING!? HURRY AND STAB THE 20 MILLION POWERS!



End this!
Aim for thier hearts!
Wah!

Alright, just a bit closer...
Hell's Screw-driver!

No, look at his eyes!
Oh no! Mongolman is planning to die along with Buffaloman!
Those aren't the eyes of men who are ready to die! They're the eyes of men who are sure of victory!
...we're not afraid anymore!
Now that we see you are just devils...
We're Justice Chojin!
Ridding the world of devils is our specialty!

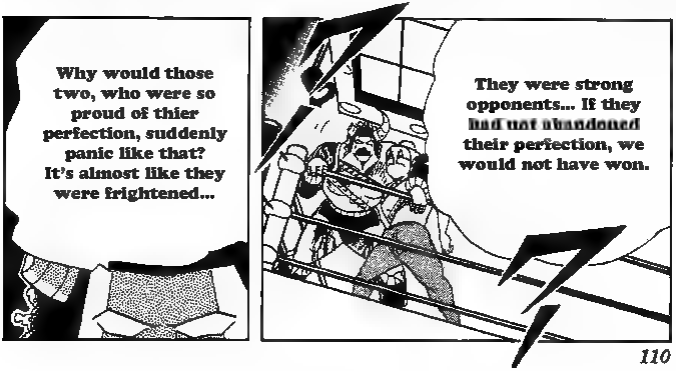
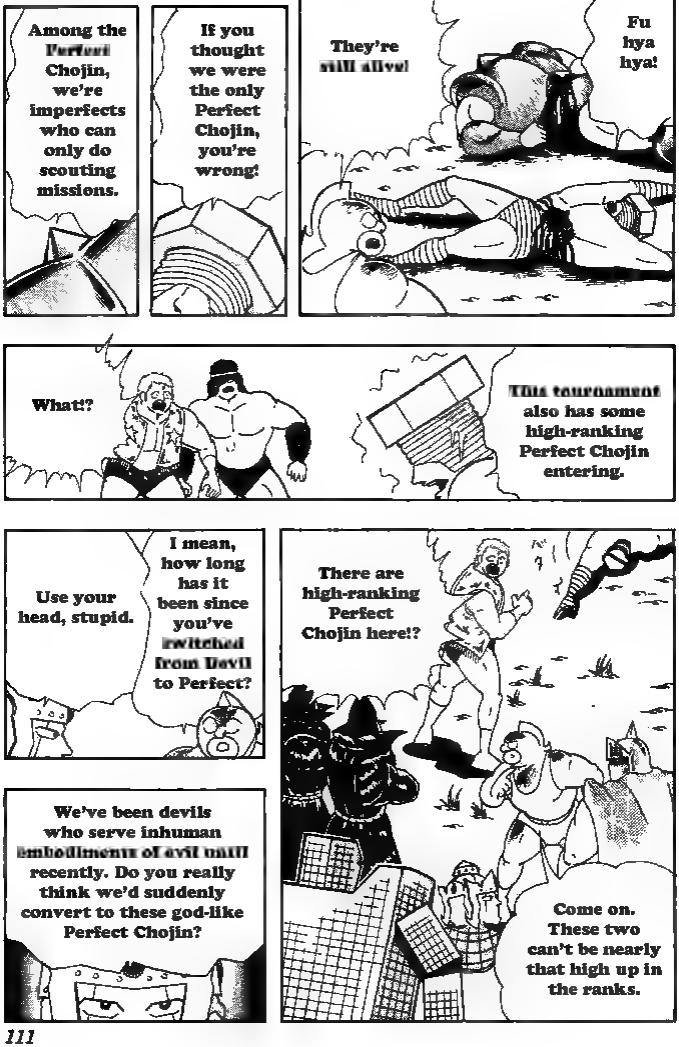
Buffaloman and Mongolman are so strong... They're not just a normal tag-team!
Don't mess witht the Justice Chojin!
The 20 Million Powers have made it to the second round by avenging Brocken Jr. and Wolfman!



Why would those two, who were so proud of thier perfection, suddenly panic like that? It's almost like they were frightened...
They were strong opponents... If they had not abandoned their perfection, we would not have won.



Among the Perfect Chojin, we're imperfects who can only do scouting missions.
If you thought we were the only Perfect Chojin, you're wrong!
They're still alive!
Fu hya hya!
What!?
This tournament also has some high-ranking Perfect Chojin entering.
Use your head, stupid.
I mean, how long has it been since you've switched from Devil to Perfect?
There are high-ranking Perfect Chojin here!?
We've been devils who serve inhuman embodiments of evil until recently. Do you really think we'd suddenly convert to these god-like Perfect Chojin?
Come on. These two can't be nearly that high up in the ranks.

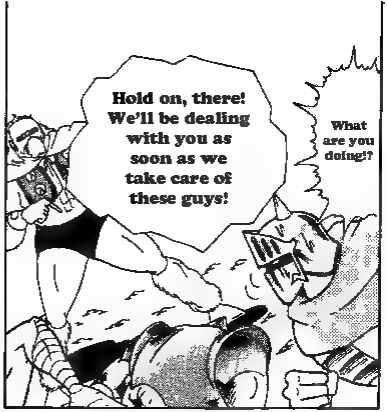
Hahahaha! What's wrong everyone? Why are you afraid of them?
Oh, the next match is Robin Mask and Warsman against the Hell Missionaries!

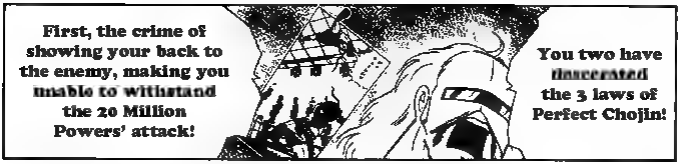
!!
That face!
How dare you try to shake my hand! Do you think that an inferior Chojin like you is equal to a Perfect Chojin!?
INSOLENT FOOL!
I've seen that face before!

We know. The Perfect Chojin Hell Judgement for our [illegible].

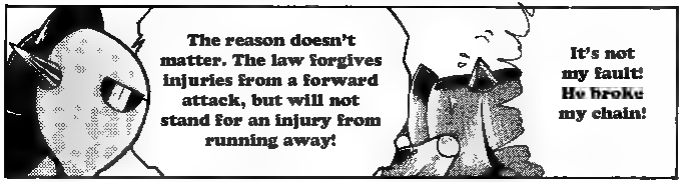
Kendaman, Screw Kid, this is your judgement!



Hold on, there! We'll be dealing with you as soon as we take care of these guys!
What are you doing!?

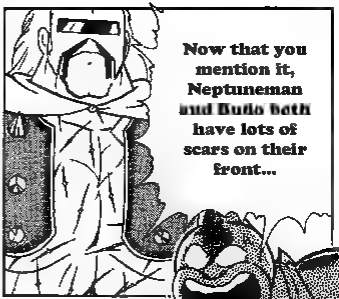


First, the crime of showing your back to the enemy, making you unable to withstand the 20 Million Powers' attack!
You two have [illegible] the 3 laws of Perfect Chojin!



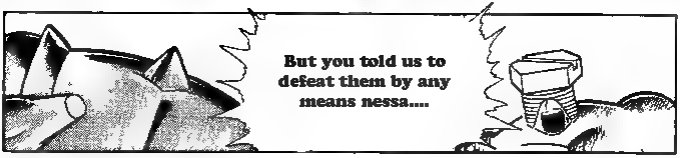
The reason doesn't matter. The law forgives injuries from a forward attack, but will not stand for an injury from running away!
It's not my fault! He broke my chain!

...but none on their backs!

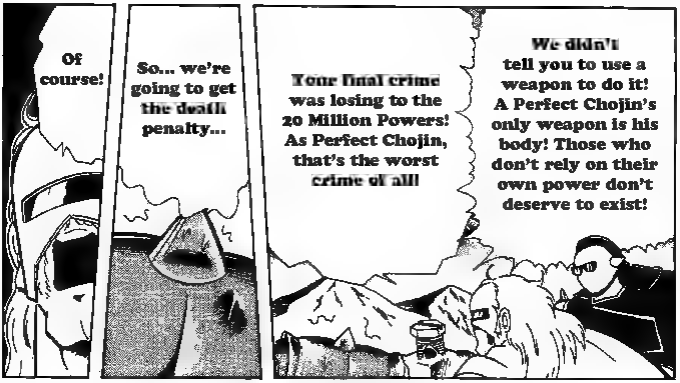


Now that you mention it, Neptuneman and Buffalo both have lots of scars on their front...

Your second crime was using a weapon to fight! That is not allowed for Perfect Chojin!

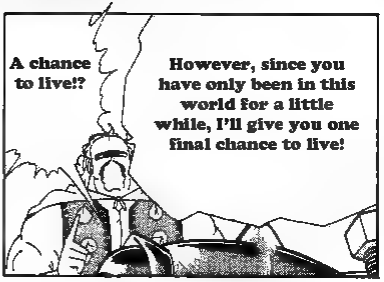


But you told us to defeat them by any means nessa....

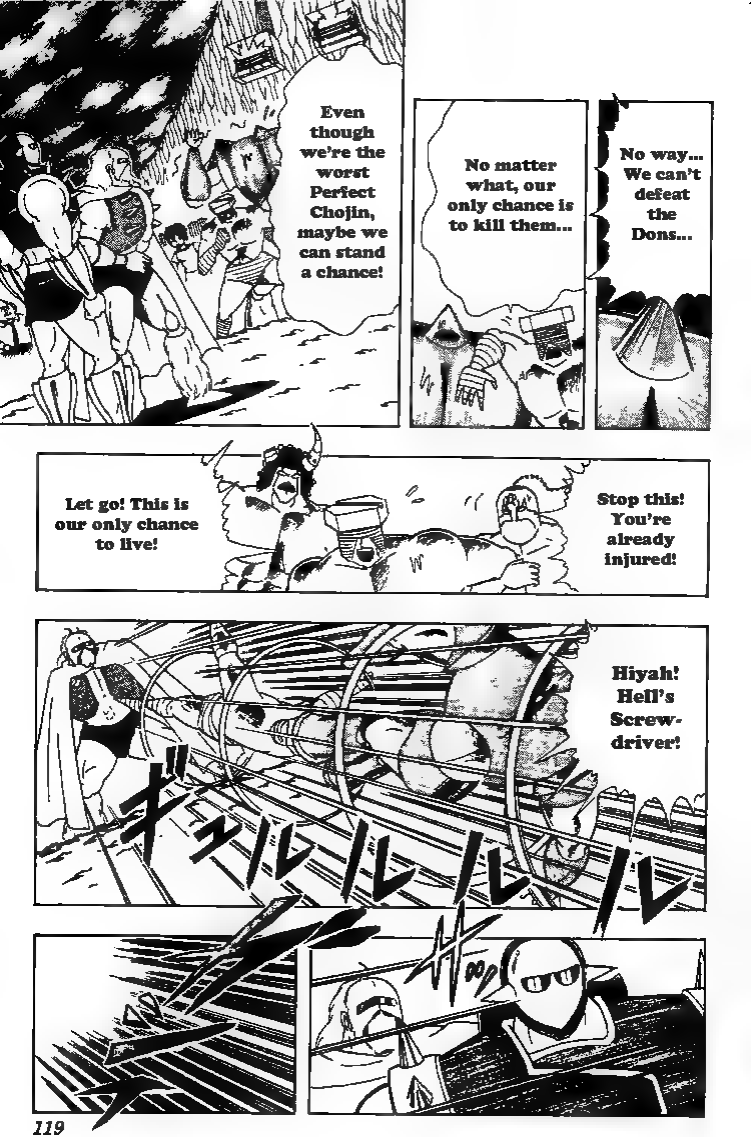


Of course!
So... we're going to get the death penalty...
Your final crime was losing to the 20 Million Powers! As Perfect Chojin, that's the worst crime of all!
We didn't tell you to use a weapon to do it! A Perfect Chojin's only weapon is his body! Those who don't rely on their own power don't deserve to exist!

You'll fight us! If you can win, you'll go free!



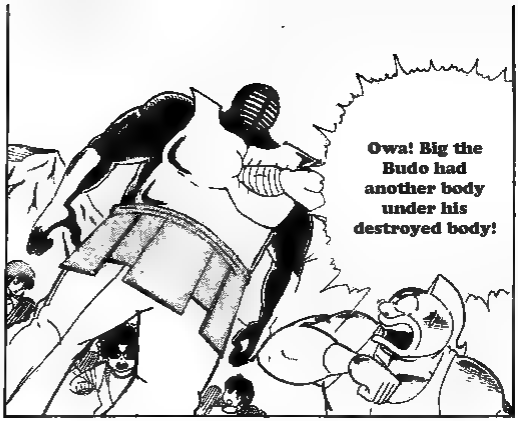
A chance to live!?
However, since you have only been in this world for a little while, I'll give you one final chance to live!



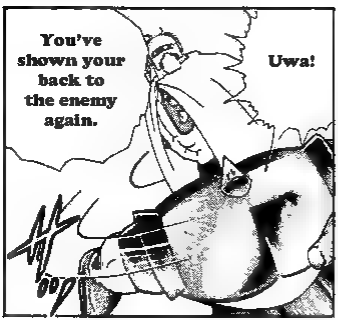
Even though we're the worst Perfect Chojin, maybe we can stand a chance!
No matter what, our only chance is to kill them...
No way... We can't defeat the Dons...
Let go! This is our only chance to live!
Stop this! You're already injured!
Hiyah! Hell's Screw-driver!
ギュルルルル

We did it! I think I hit his heart!
What are you talking about!?
You there. Did you know that some masked wrestlers wear masks over their main masks?
I wear a mask over my body!
On top of my real body...
Geh!

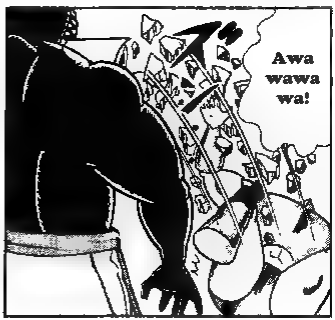
Ugyaaa!



Owa! Big the Budo had another body under his destroyed body!

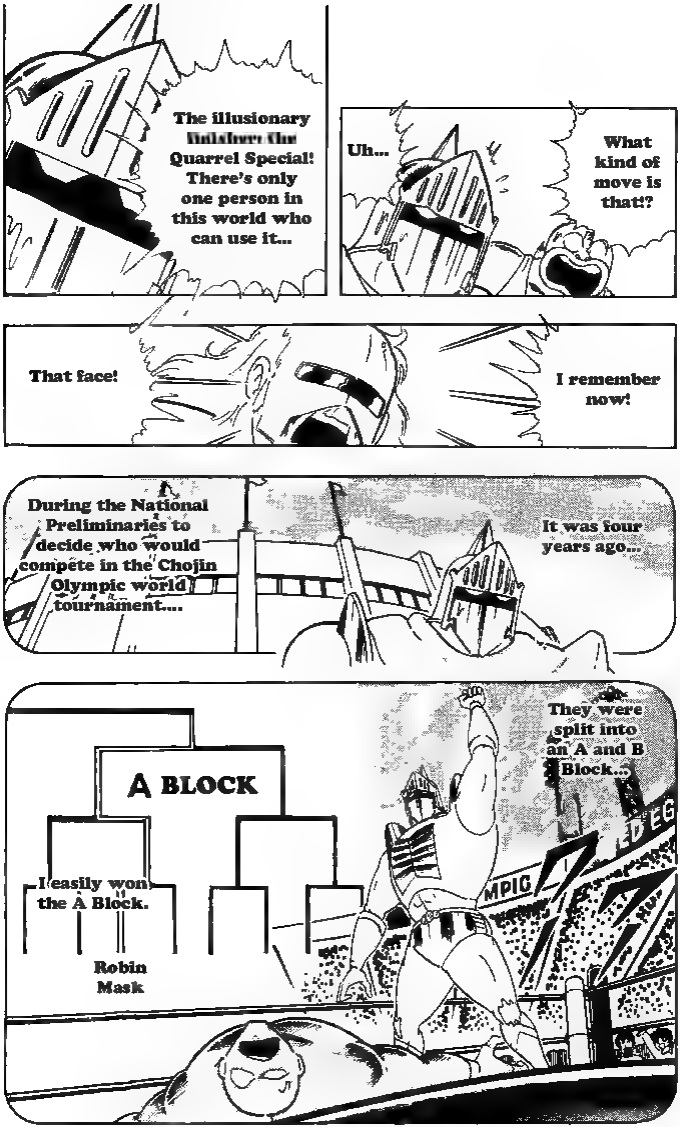


You've shown your back to the enemy again.
Uwa!



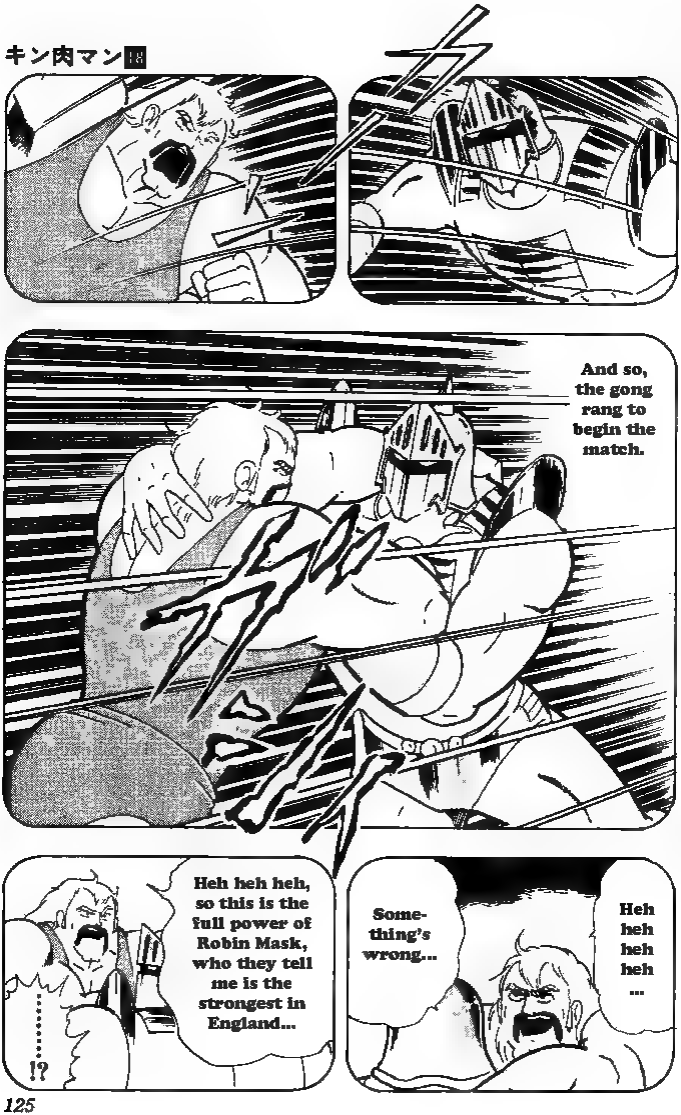
Awa wawa wa!

Uwa!
The penalty is death!
You can't run away anymore!
UGYAAA!

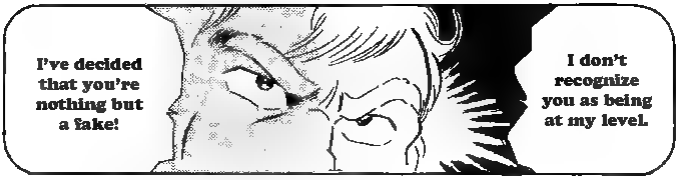


The illusionary Unlucky the Quarrel Special! There's only one person in this world who can use it...
Uh...
What kind of move is that!?
That face!
I remember now!
During the National Preliminaries to decide who would compete in the Chojin Olympic world tournament....
It was four years ago...
A BLOCK
I easily won the A Block.
Robin Mask
They were split into an A and B Block...

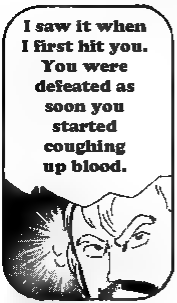
B BLOCK
Quarrel-man
He was an amazing newcomer into the Chojin World, so he made it through the tournament quite easily. His name was Quarrelman!
However, in the B-Block was a wild fighter who fought for victory at any cost. It was the complete opposite of my clean fighting.
They had nothing but scorn each time he won.
While the audience cheered for each of my victories...
ROBIN!
You'll win this for sure!
Finally the match to determine who would represent Brittian came down to me, who had won the A-Block, and the newcomer, who had won the B-Block.



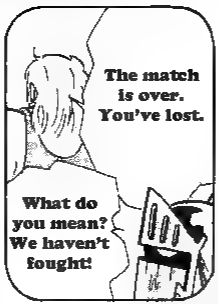
And so, the gong rang to begin the match.
Heh heh heh, so this is the full power of Robin Mask, who they tell me is the strongest in England...
.....!?
Some-thing's wrong...
Heh heh heh heh ...



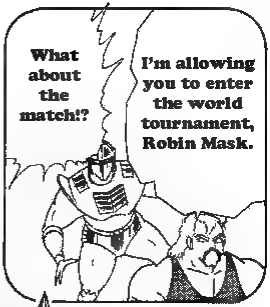
I've decided that you're nothing but a fake!
I don't recognize you as being at my level.



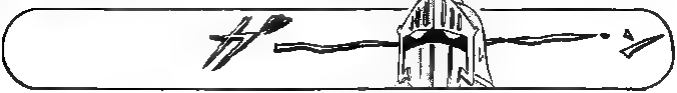
I saw it when I first hit you. You were defeated as soon you started coughing up blood.

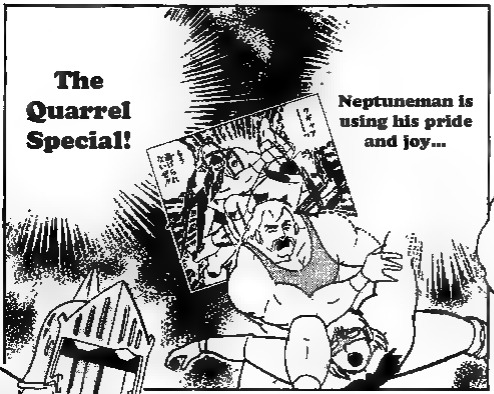


The match is over. You've lost.
What do you mean? We haven't fought!

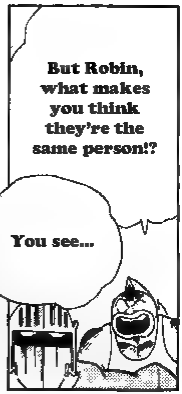


What about the match!?
I'm allowing you to enter the world tournament, Robin Mask.





The Quarrel Special!
Neptuneman is using his pride and joy...

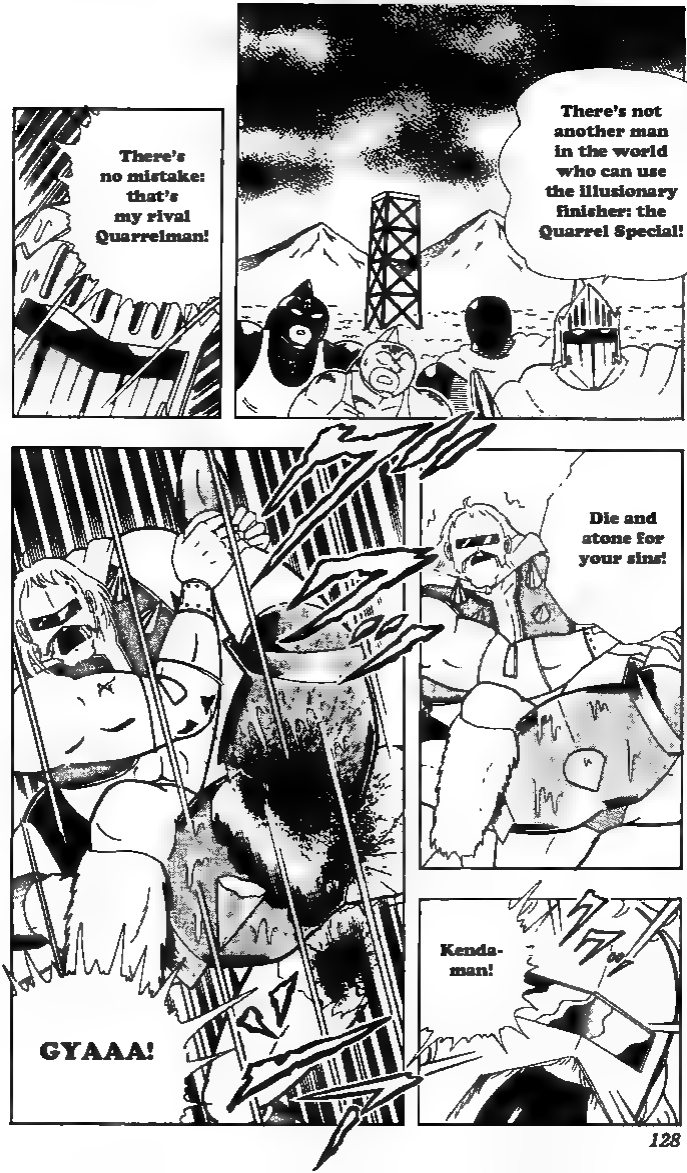


But Robin, what makes you think they're the same person!?
You see...

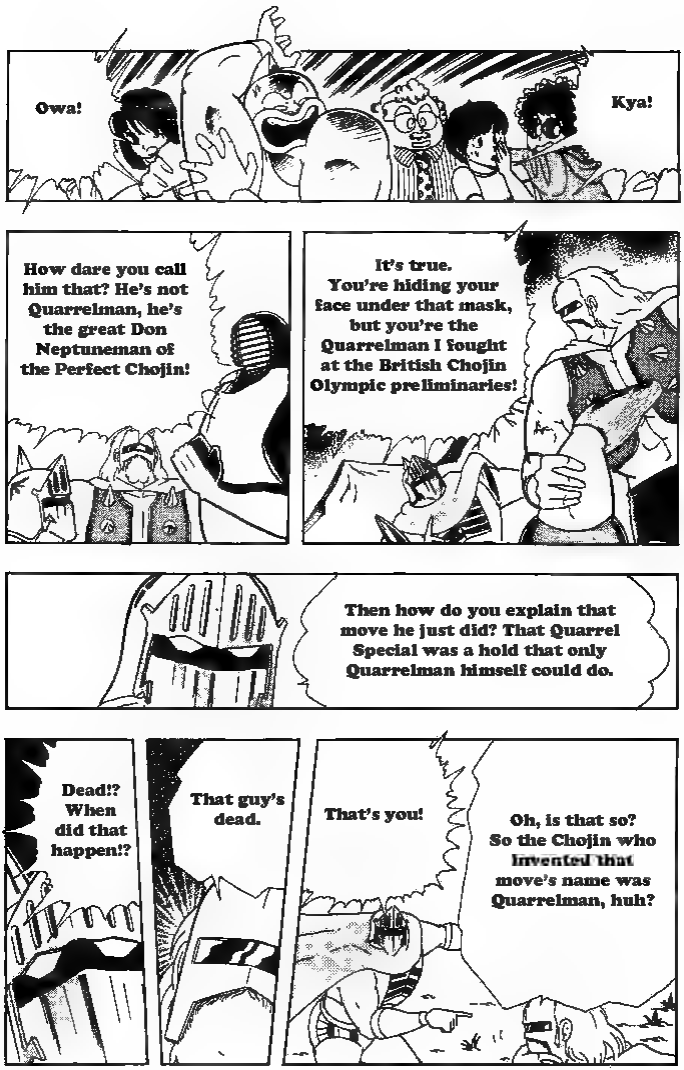
Dream Chojin Tag Arc 14

Match of Destiny!

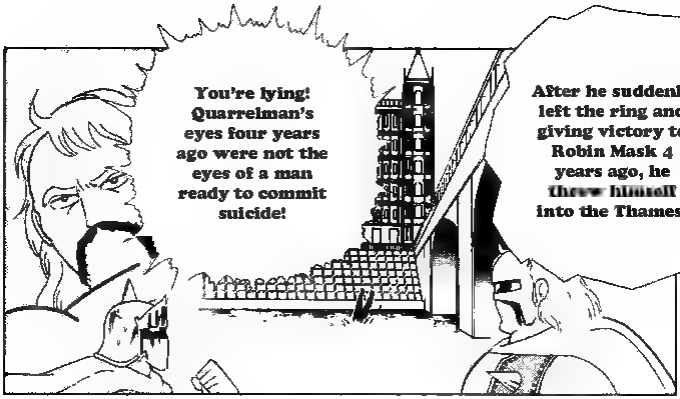
A Team Kinniku Release



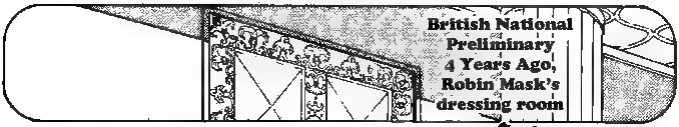
There's no mistake: that's my rival Quarrelman!
There's not another man in the world who can use the illusionary finisher: the Quarrel Special!
Die and atone for your sins!
Kenda-man!
GYAAA!



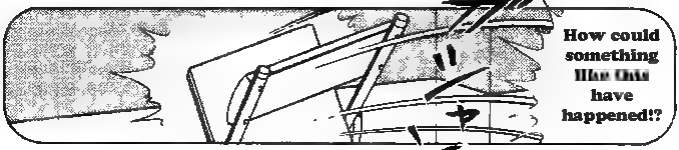
Owa!
Kya!
How dare you call him that? He's not Quarrelman, he's the great Don Neptuneman of the Perfect Chojin!
It's true. You're hiding your face under that mask, but you're the Quarrelman I fought at the British Chojin Olympic preliminaries!
Then how do you explain that move he just did? That Quarrel Special was a hold that only Quarrelman himself could do.
Dead!? When did that happen!?
That guy's dead.
That's you!
Oh, is that so? So the Chojin who invented that move's name was Quarrelman, huh?



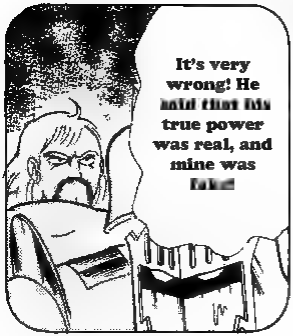
You're lying! Quarrelman's eyes four years ago were not the eyes of a man ready to commit suicide!
After he suddenly left the ring and giving victory to Robin Mask 4 years ago, he threw himself into the Thames.



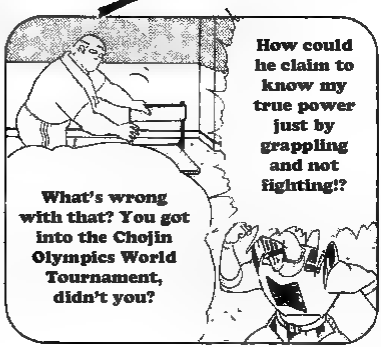
British National Preliminary 4 Years Ago, Robin Mask's dressing room



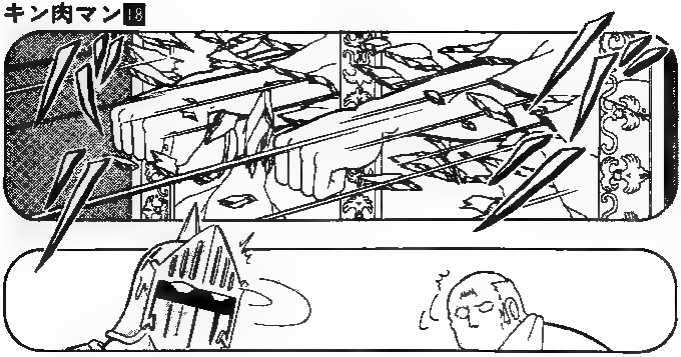
How could something like this have happened!?



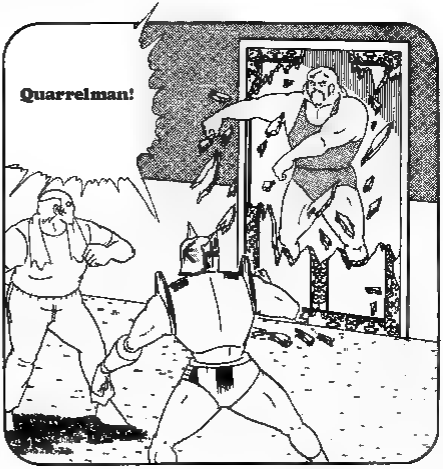
It's very wrong! He said that his true power was real, and mine was fake!



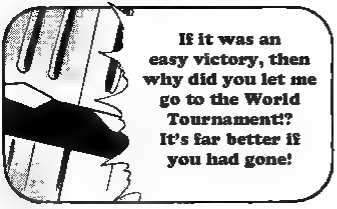
How could he claim to know my true power just by grappling and not fighting!?
What's wrong with that? You got into the Chojin Olympics World Tournament, didn't you?



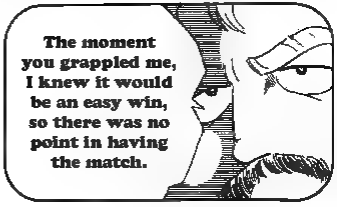
It looks like you still want a final showdown with me!
Hold on. Just listen to what I have to say.



Quarrelman!

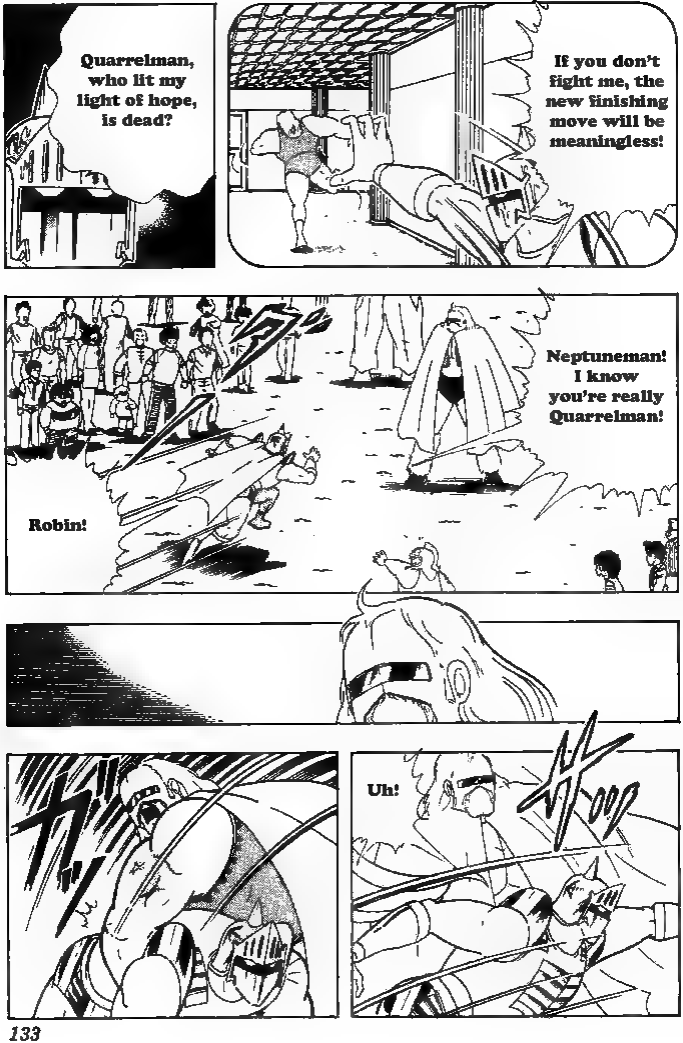


If it was an easy victory, then why did you let me go to the World Tournament!? It's far better if you had gone!



The moment you grappled me, I knew it would be an easy win, so there was no point in having the match.

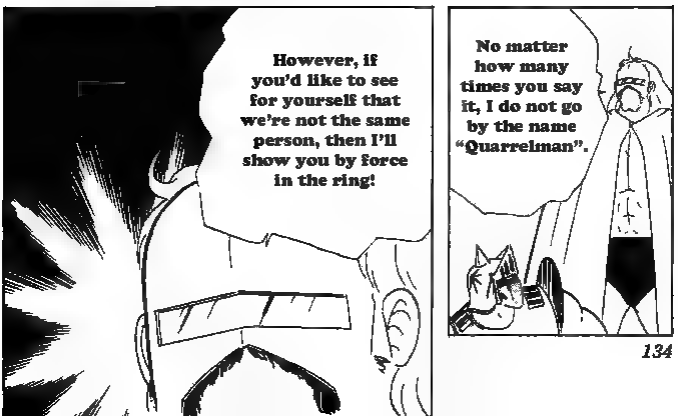
It just seems that most modern matches are nothing but flash. There isn't a single Chojin out there that I can fight for more than a minute. It's too soon for me to make my debut in the Chojin World. However, I'm certain that someday an opponent that can hold his own for more than five minutes will appear... Until then, I'm going to disappear for a while...
It was too small. For me, the Chojin Olympics are just child's play.
Where are you going!?
That strong person...
Fight me, Quarrelman! I've created a new technique just for fighting you!
Hey, come back!
It should be you, Robin Mask.



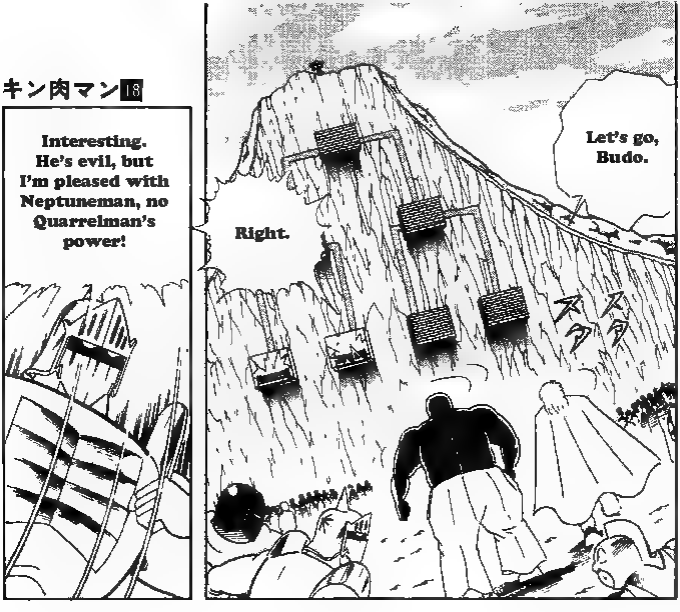
Quarrelman, who lit my light of hope, is dead?
If you don't fight me, the new finishing move will be meaningless!
Neptuneman! I know you're really Quarrelman!
Robin!
Uh!

Neptuneman has put Robin Mask's body into a Side Suplex!
Hiyah!

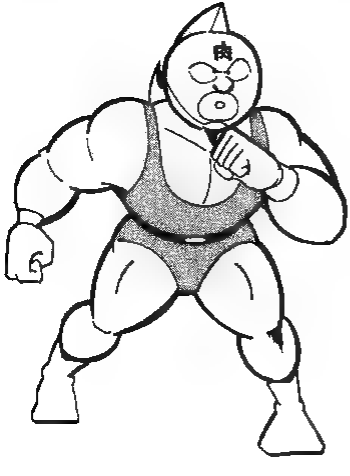
That was the first time I've taken such a strong Side Suplex.
Are you alright, Robin!?



However, if you'd like to see for yourself that we're not the same person, then I'll show you by force in the ring!
No matter how many times you say it, I do not go by the name "Quarrelman".



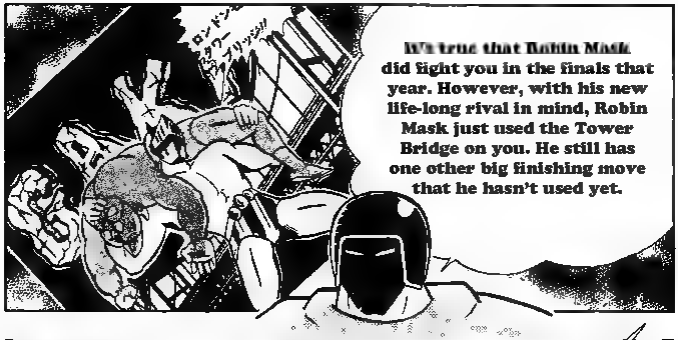
Interesting. He's evil, but I'm pleased with Neptuneman, no Quarrelman's power!
Right.
Let's go, Budo.
ズラ ズラ



肉

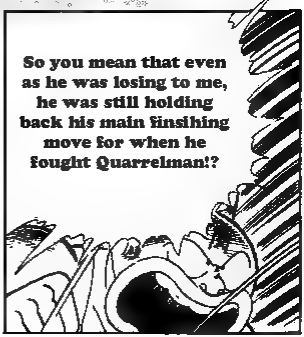
Um... if you're talking about the Tower Bridge, then I already defeated it at the Chojin Olympics four years ago.

I'm glad that the third match of the Chojin Tag Tournament will be us agianst the Hell Missionaries, lead by Neptuneman!
Alright, let's show him together! The finishing move I've been saving for Quarrelman!



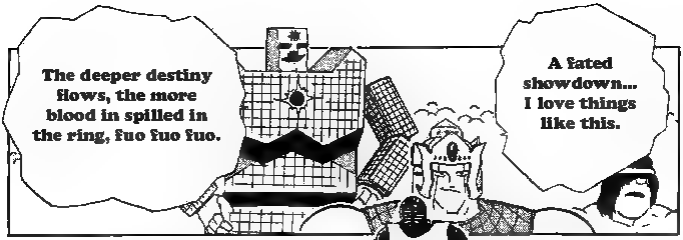
It's true that Robin Mask did fight you in the finals that year. However, with his new life-long rival in mind, Robin Mask just used the Tower Bridge on you. He still has one other big finishing move that he hasn't used yet.

It's called...



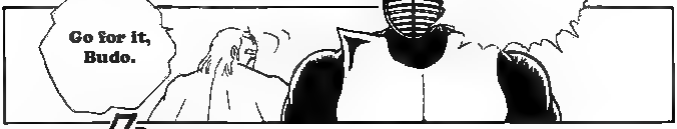
So you mean that even as he was losing to me, he was still holding back his main finsihing move for when he fought Quarrelman!?

...Special!
The Robin...
Come on, use the Robin Special on me! I'll defeat that, too!
Let's go, Warsman.
Oh, the third ring!
It's starting!

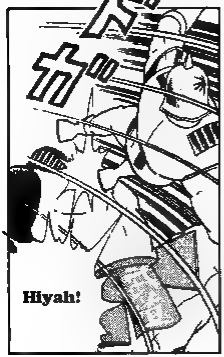


The deeper destiny flows, the more blood in spilled in the ring, fuo fuo fuo.
A fated showdown... I love things like this.

The gong has rung for the third match in the Tag Team Tournament to begin!
Stay back, Neptuneman.

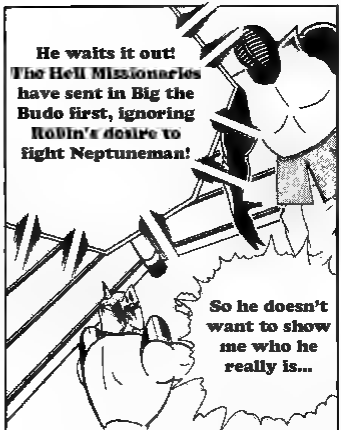


Go for it, Budo.



Hiyah!

If that's how it is, I'm ready for this, too!



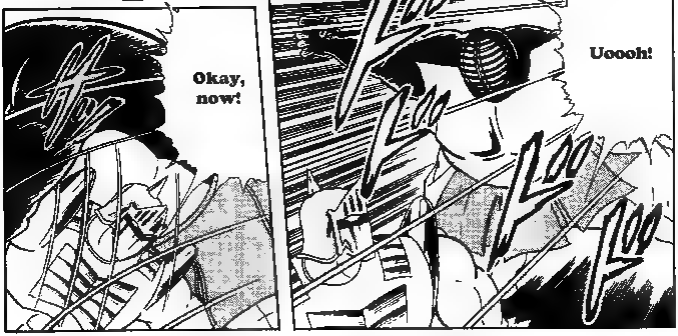
He waits it out! The Hell Missionaries have sent in Big the Budo first, ignoring Robin's desire to fight Neptuneman!
So he doesn't want to show me who he really is...

A knee drop from the top of the ropes!
Guh!
Warsman hits with a Reverse Knee Drop, too!
Alright, Neptuneman, if you don't want your partner to die like this, then tag in!
What!?
The Budo isn't my partner! Even he is just a soldier for my ambition! I won't tag in, even if he dies!
It looks like you want me in the ring at any cost...

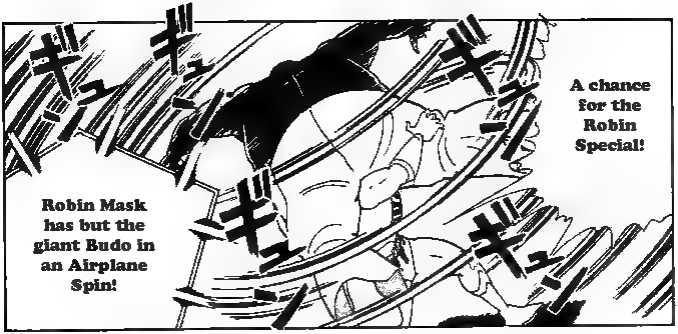
Oof!
Gyah!
We'll drag you into the ring, no matter what!
Alright, but I have no intention of changing my plans!
I've been waiting for this!
Warsman, Tag Formation A!
Go Budo! Don't give them an opening!
OK!!

Tag Formation...
Uoooh!
A !!
This is no ordinary Tower Bridge!
What is Robin Mask thinking? He's putting his partner into a Tower Bridge!

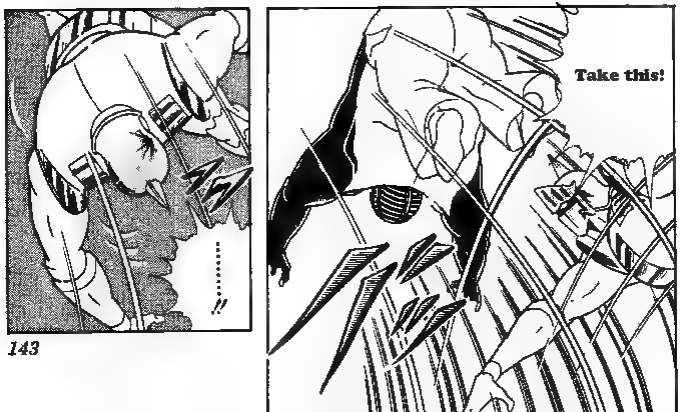
Roll-
ing...
Take
this!
Bear Claw!
Kill him, Budo!
Don't let him
get back up!
How's this,
Neptuneman? If you
really are the prideful
Quarrelman, you
won't just stay silent
when your proud
body gets wounded!



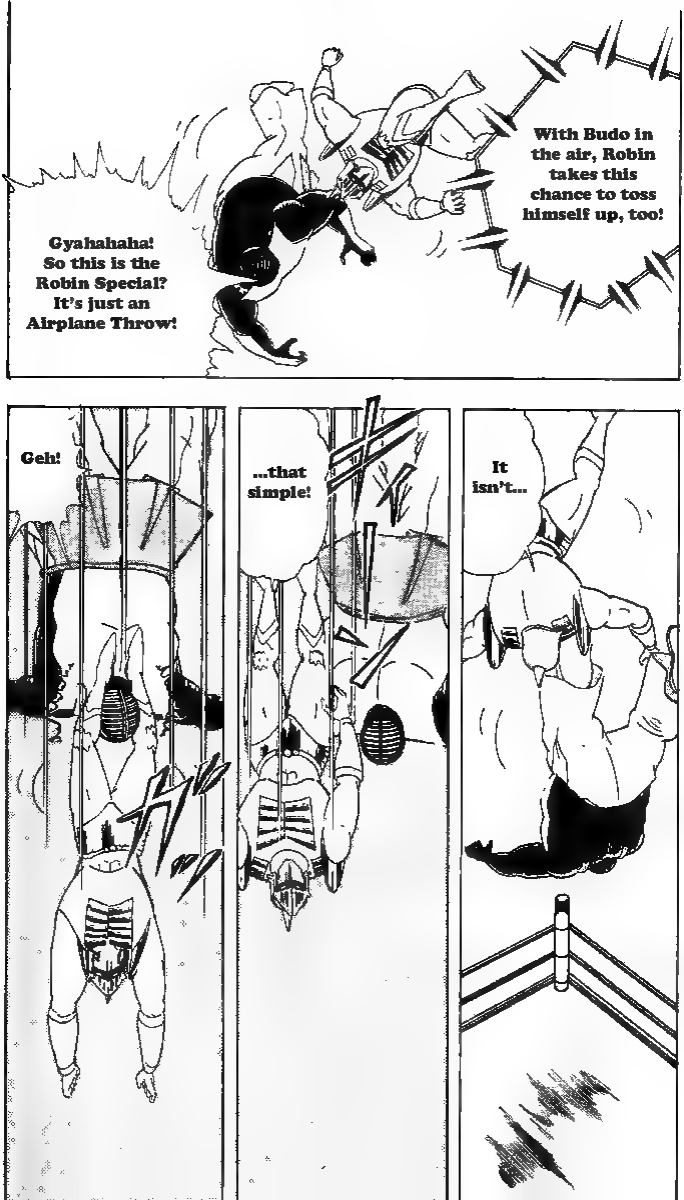
Okay, now!
Uoooh!



A chance for the Robin Special!
Robin Mask has but the giant Budo in an Airplane Spin!



Take this!



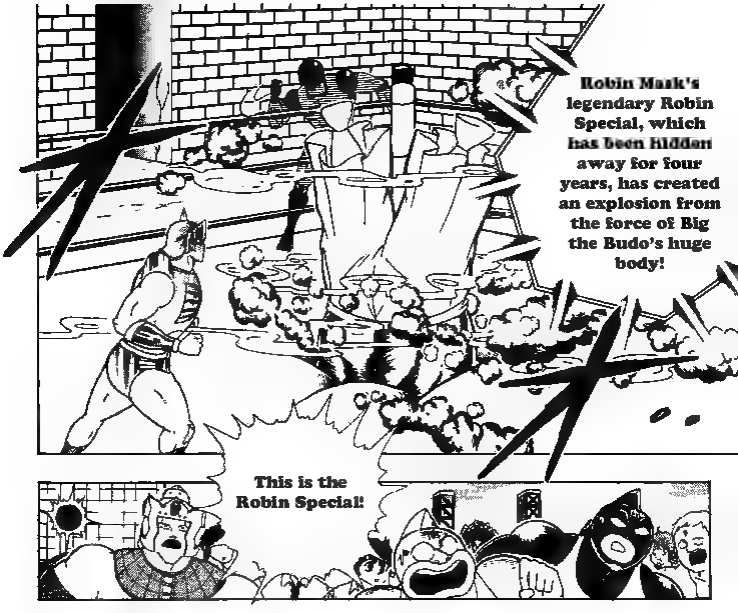
Gyahahaha! So this is the Robin Special? It's just an Airplane Throw!
With Budo in the air, Robin takes this chance to toss himself up, too!
Geh!
...that simple!
It isn't...

THE ROBIN SPECIAL!
This is...
Robin Mask has caught Budo's neck in his legs and is using his body weight to increase the rate of descent!
Alright, I've seen it! The Robin Special!

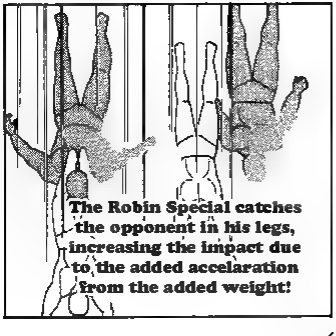
Dream Chojin Tag Arc 15

Surprise Attack! Robin's Specialty!

A Team Kinniku Release



Robin Mask's legendary Robin Special, which has been hidden away for four years, has created an explosion from the force of Big the Budo's huge body!
This is the Robin Special!

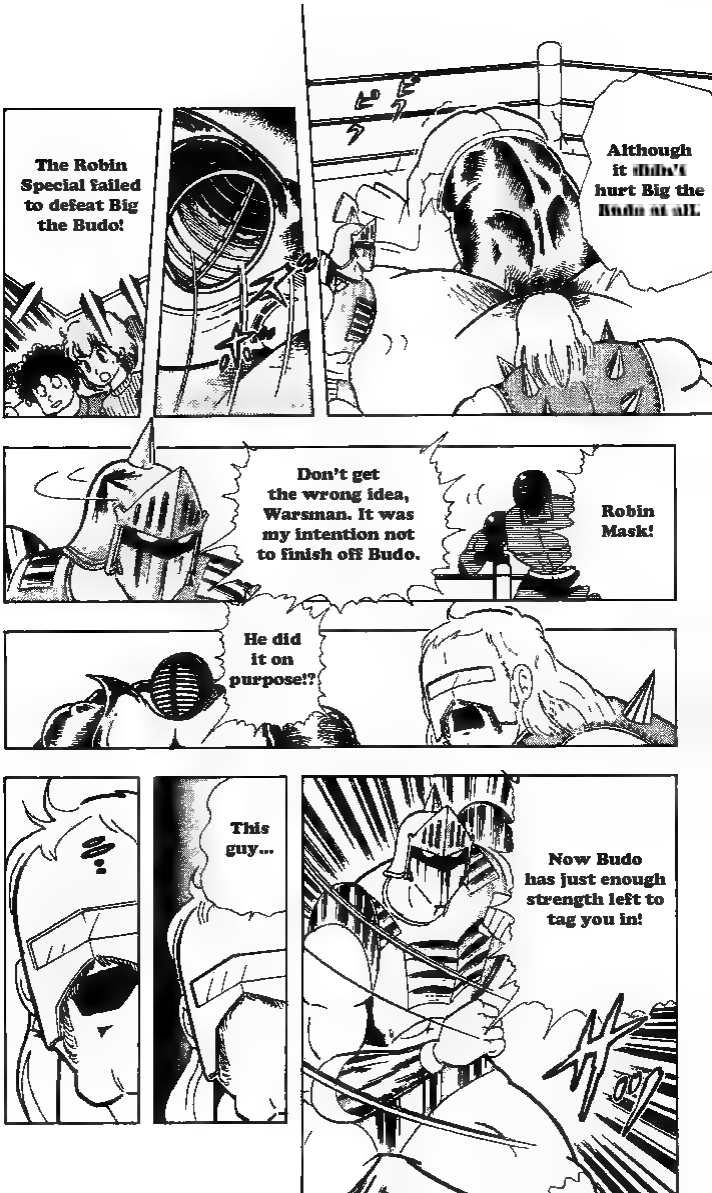


The Robin Special catches the opponent in his legs, increasing the impact due to the added accelaration from the added weight!

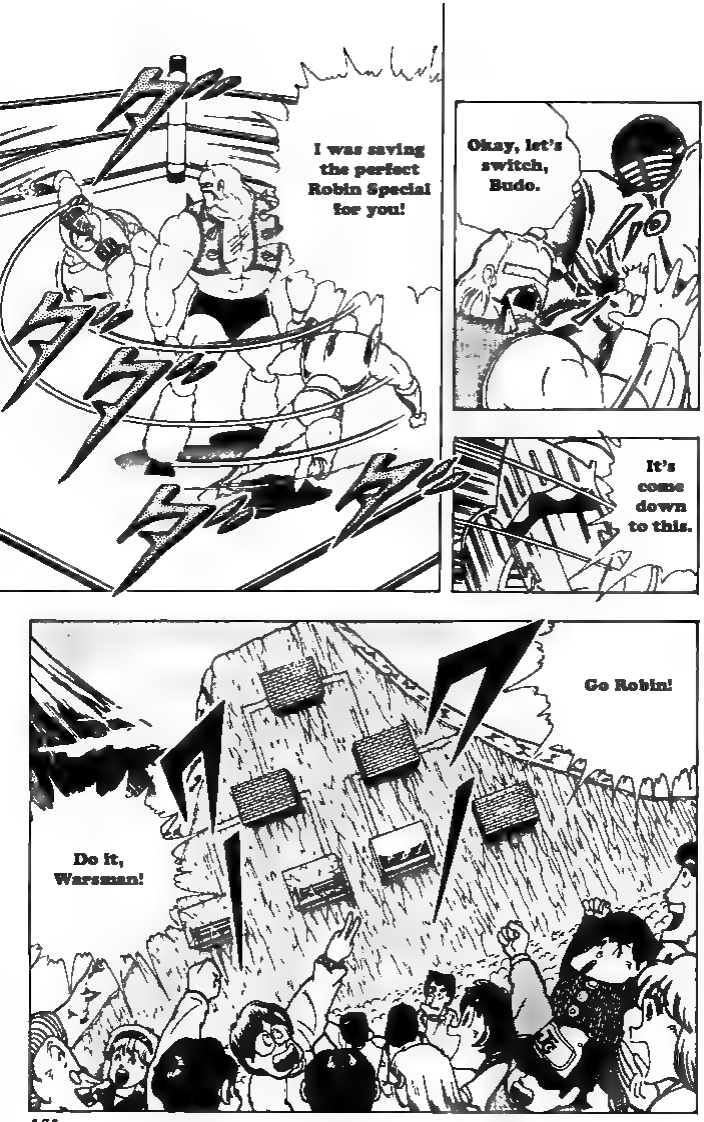
Although it's already powerful to just throw an opponent with an Airplane Spin and let them drop...

But since Robin Mask is the one doing it, it's a miracle hold!
If he had made even a single mistake while using that move, he'd risk self-injury! That means that not just any Chojin can do it!

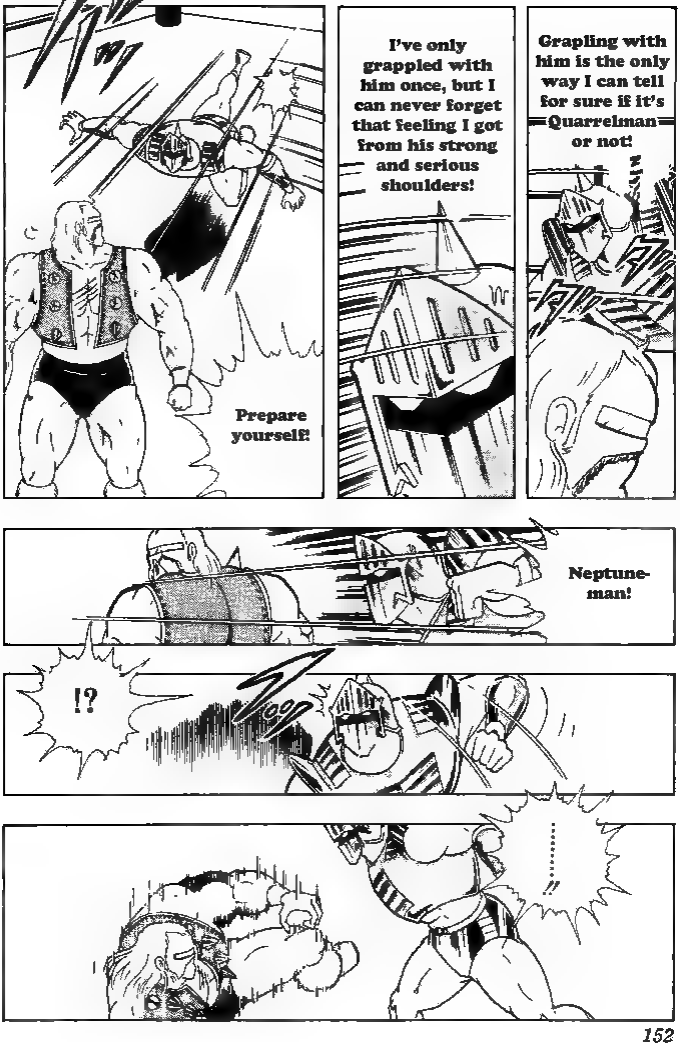
ぶわさ
Hey!
I'm scared ...
If he had used that during the Chojin Olympics four years ago...
I knew that your technique wasn't an ordinary finishing move, but...
Neptuneman, who refused to fight with Robin Mask until now, has finally entered the ring!
Hoh hoh hoh hoh heh... Just as I expected, Robin Mask!
You seem to be pretty confident in the Robin Special...
Heh... The only reason you used that is because you were so hesitant in trying to reveal me.
He's a man who isn't satisfied unless he destroys it with his own hands!
Quarrelman hadn't seen my new special move until now, but now he's stunned with amazment seeing it before his very eyes!



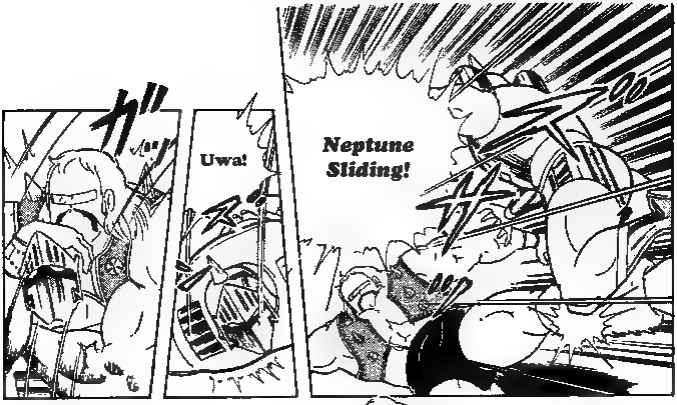
The Robin Special failed to defeat Big the Budo!
Although it didn't hurt Big the Budo at all.
Don't get the wrong idea, Warsman. It was my intention not to finish off Budo.
Robin Mask!
He did it on purpose!?
This guy...
Now Budo has just enough strength left to tag you in!



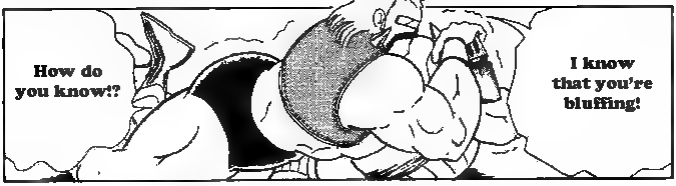
I was saving the perfect Robin Special for you!
Okay, let's switch, Budo.
It's come down to this.
Go Robin!
Do it, Warsman!



Prepare yourself!
I've only grappled with him once, but I can never forget that feeling I got from his strong and serious shoulders!
Grapling with him is the only way I can tell for sure if it's Quarrelman or not!
Neptune-man!
!?



Uwa!
Neptune Sliding!

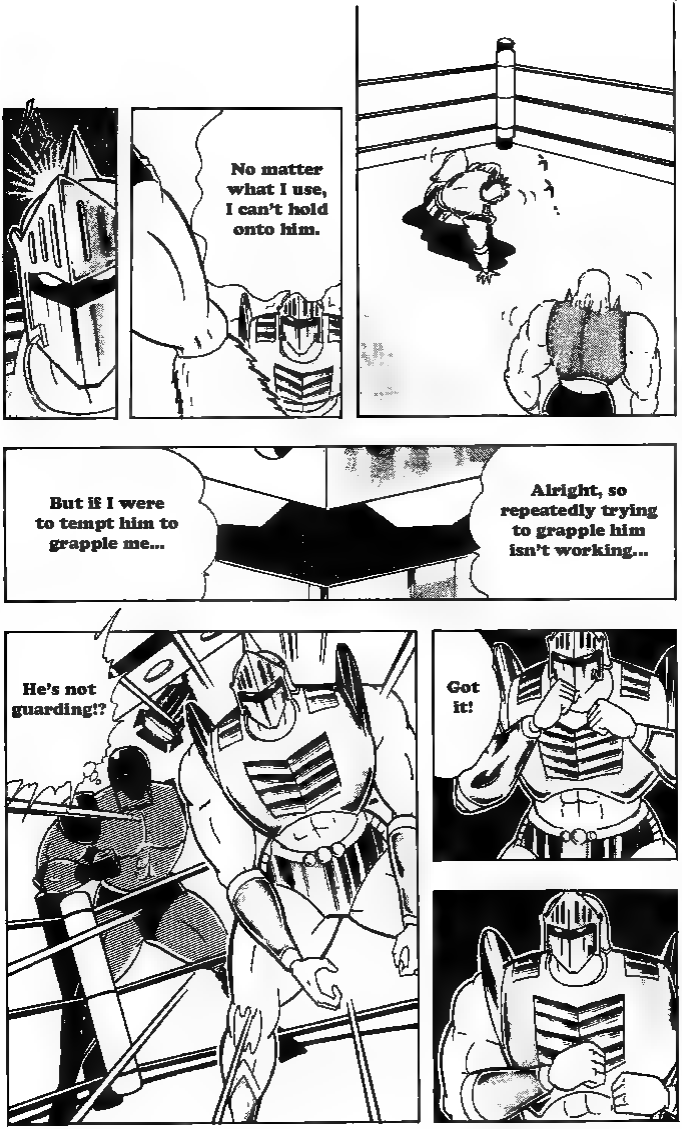


How do you know!?
I know that you're bluffing!

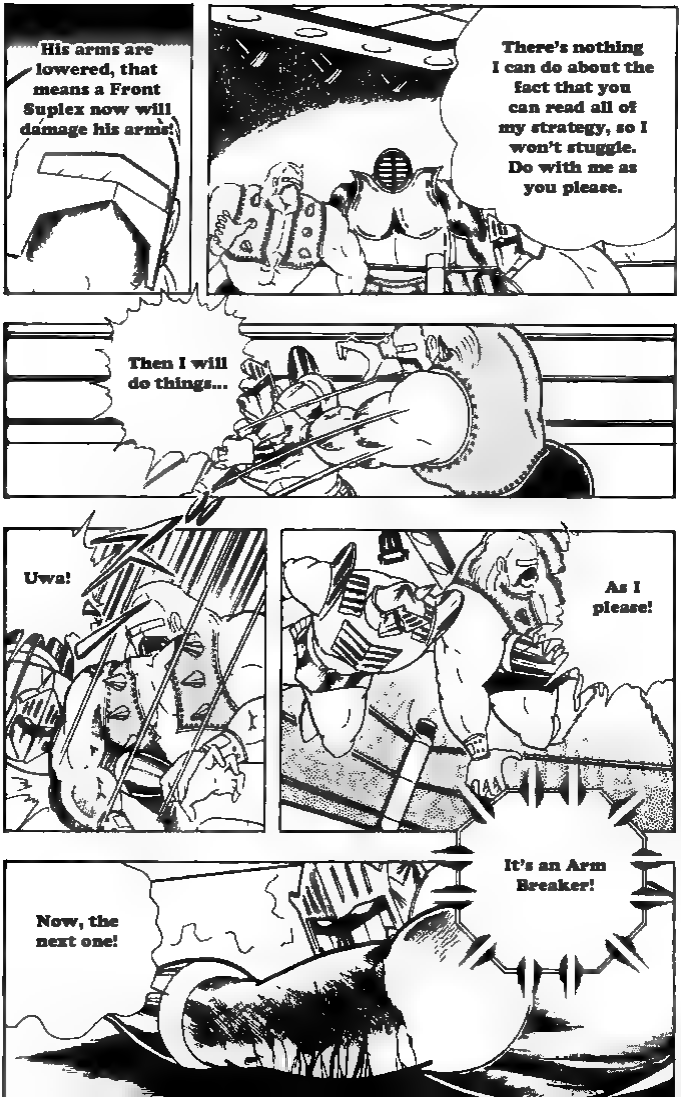
You...
Obviously, I can easily tell what's going through the head of an inferior Chojin!

The horn on Robin's helmet has stabbed Neptuneman in the face!
Revealed how scared you really are!
Just...

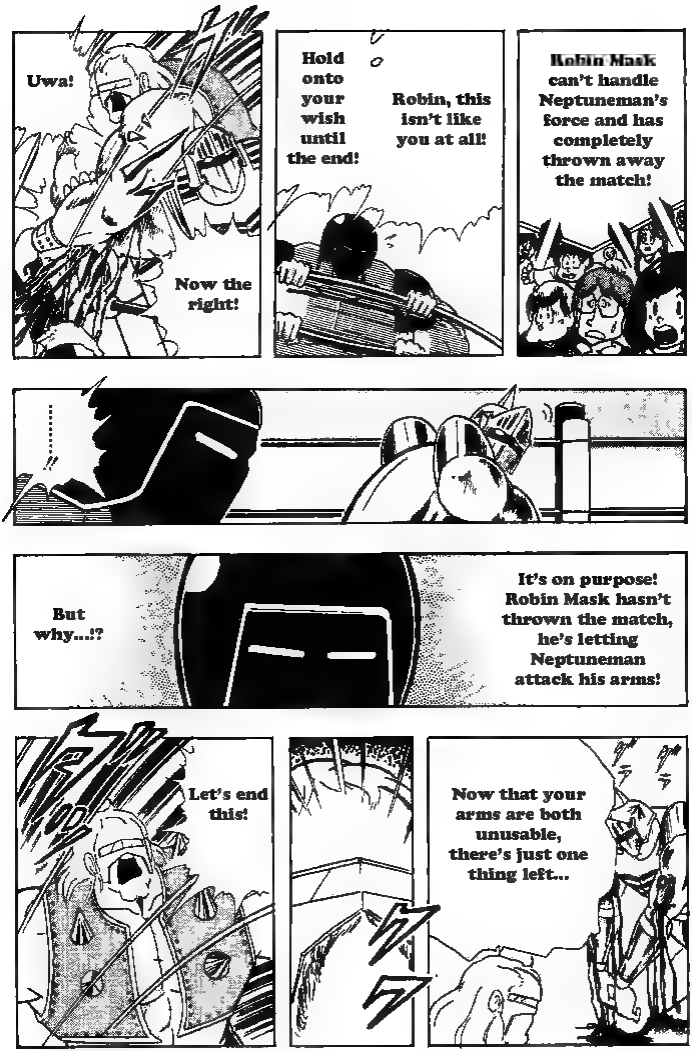
Uh!
Robin Mask is charging him once again!
An opening!
But Neptune-man returns it with a Front Suplex.
You're soft!
Has he failed again?



No matter what I use, I can't hold onto him.
Alright, so repeatedly trying to grapple him isn't working...
But if I were to tempt him to grapple me...
He's not guarding!?
Got it!



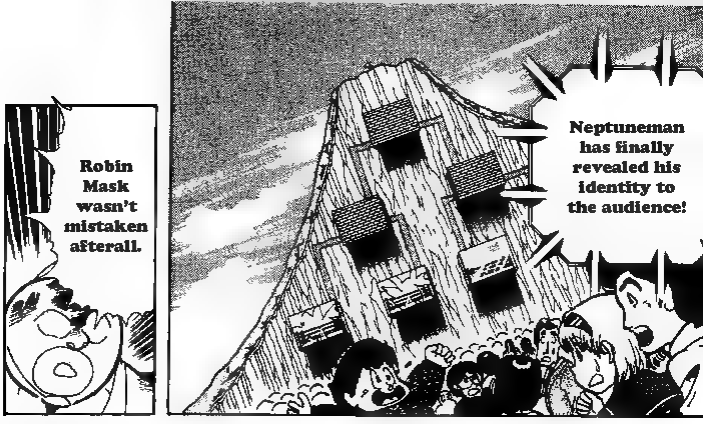
His arms are lowered, that means a Front Suplex now will damage his arms!
There's nothing I can do about the fact that you can read all of my strategy, so I won't stuggle. Do with me as you please.
Then I will do things...
Uwa!
As I please!
Now, the next one!
It's an Arm Breaker!



Uwa!
Now the right!
Hold onto your wish until the end!
Robin, this isn't like you at all!
Robin Mask can't handle Neptuneman's force and has completely thrown away the match!
But why...!?
It's on purpose! Robin Mask hasn't thrown the match, he's letting Neptuneman attack his arms!
Let's end this!
Now that your arms are both unusable, there's just one thing left...

For this moment!
I've been waiting...
!!
He's done it!
Grappling!
Robin Mask and Neptune-man are...

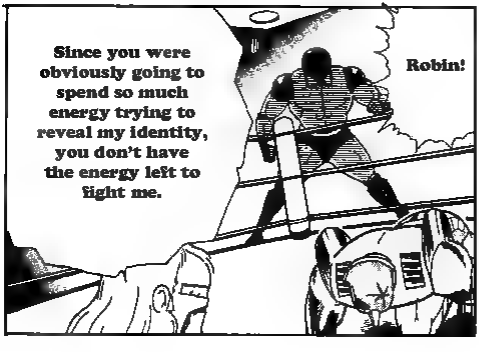
Heh heh... This feeling of heaviness coming from your shoulders...
Of course!
How could you have come up with that!?
You've attacked your opponent's weak point, but since the fight has rules, a Perfect Chojin must follow those rules!
There's no doubt! You really are Quarrelman!
Right, my true name is that of your rival, Quarrel-man!
Heh heh heh.



Robin Mask wasn't mistaken afterall.
Neptuneman has finally revealed his identity to the audience!

I'd like to say "It's been a while, Robin", but more important than knowing my identity is the fact that you're alive to fight me again.

Uuh...



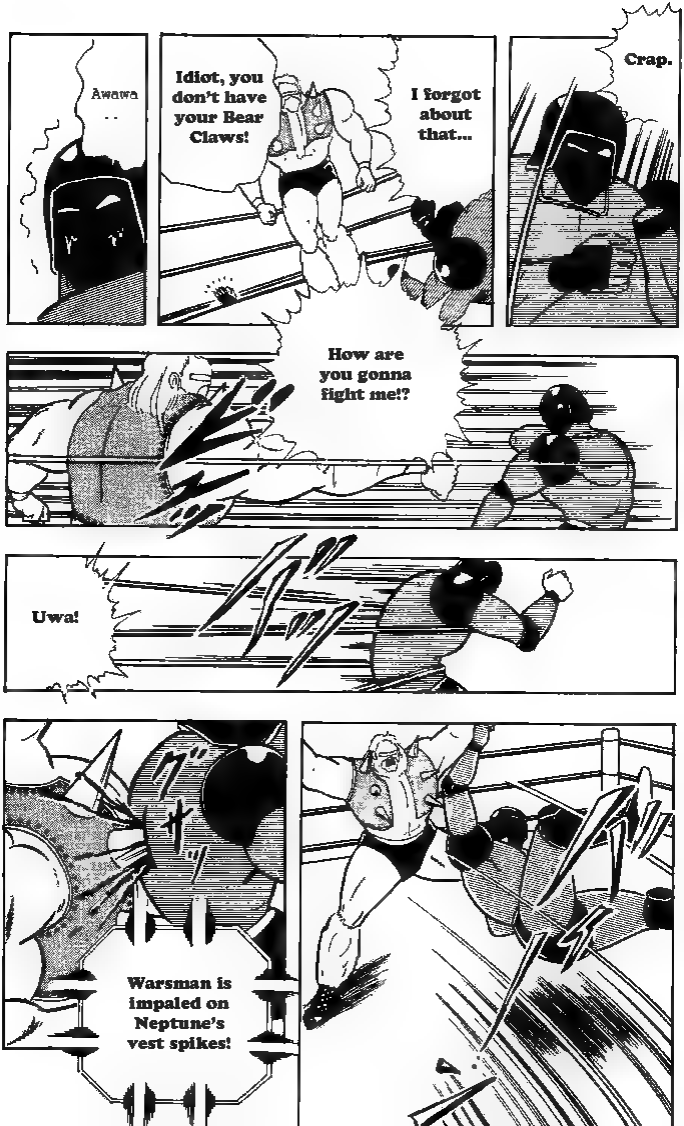
Since you were obviously going to spend so much energy trying to reveal my identity, you don't have the energy left to fight me.
Robin!

ガク

You're an inferior Chojin afterall!
Neptuneman's blow is in the position for his deadly Quarrel Special!
Ugh!
.....!!
I've given you scorn many times during this match, but...
Warsman!?

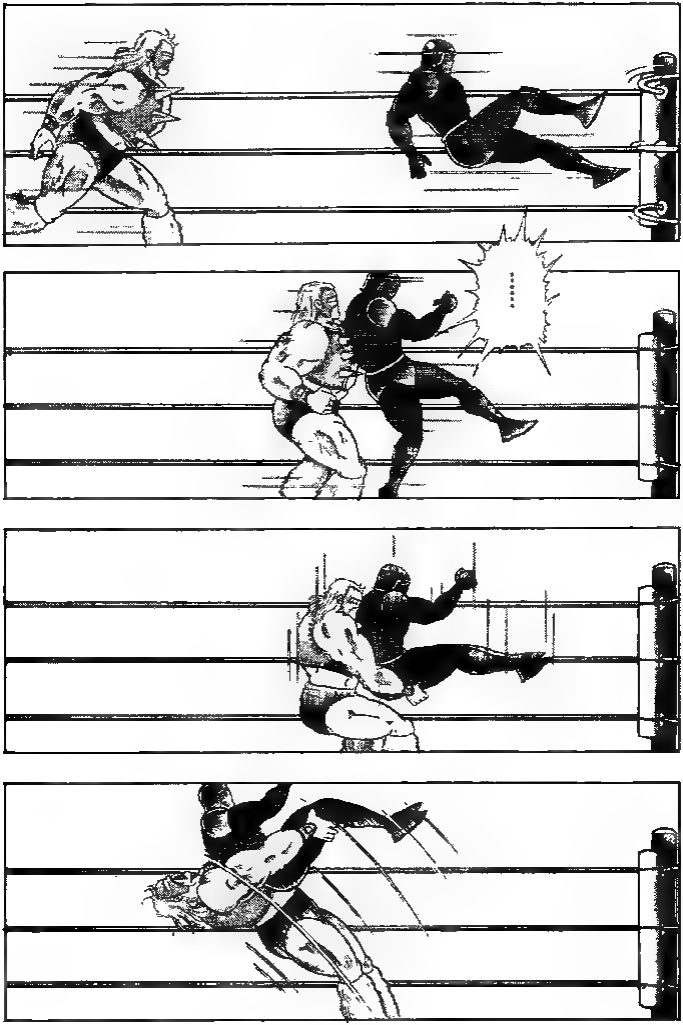
You're annoying! Die!
You've done enough by revealing his identity. Now let me do the rest!
Wars...
You really are the greatest!
Sorry, those are just my Bear Claws!
This is...!?
They can pop off!

Neptuneman has been hit by Warsman's treasured trump card, the Palo Special!
Palo Special!
Nuhh...
Does this inferior Chojin team still intend to stubbornly anger me!?



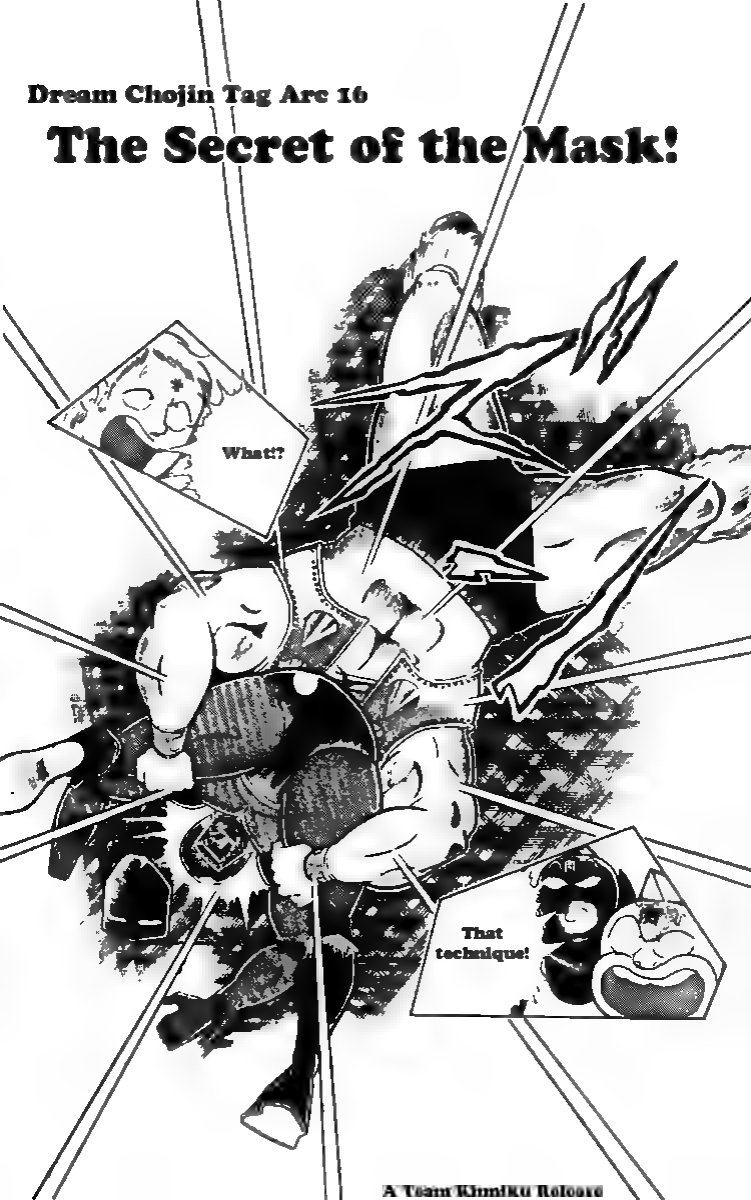
Awawa
..
Idiot, you don't have your Bear Claws!
I forgot about that...
Crap.
How are you gonna fight me!?
Uwa!
Warsman is impaled on Neptune's vest spikes!

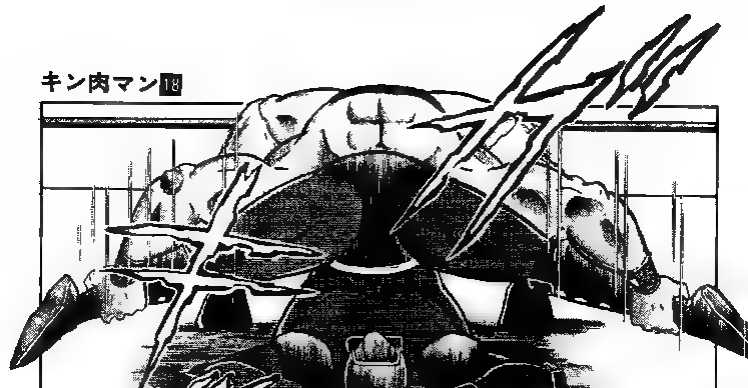
Nose Dive!
Take this!
Double Leg Suplex!
Warsman!
Wa...



Dream Chojin Tag Arc 16

The Secret of the Mask!

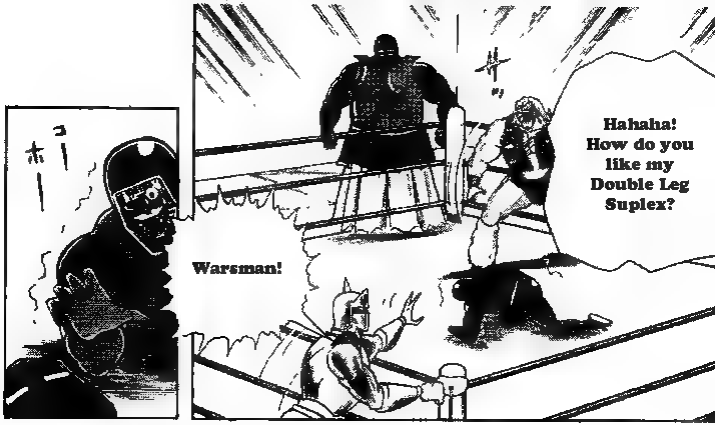




He stabs his opponent with the spikes on his vest and slams them when they can't move!

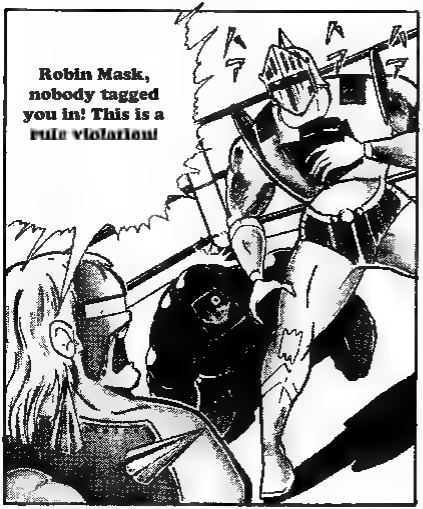
Kuh...

The shock of Neptuneman's suplex has knocked Warrman's mask off!



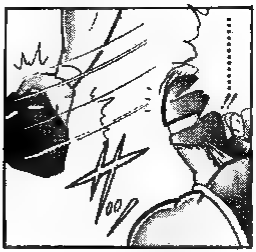
Hahaha! How do you like my Double Leg Suplex?
Warsman!

But what you didn't realize is that it can easily be removed with enough power!
Heh heh heh... So you've taken the road of a Masked Chojin to hide your ugly face...

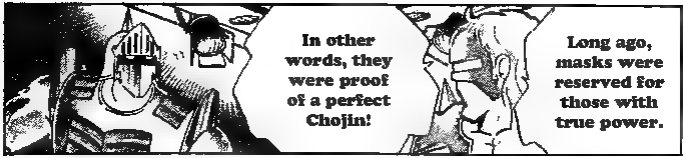


Robin Mask, nobody tagged you in! This is a rule violation!

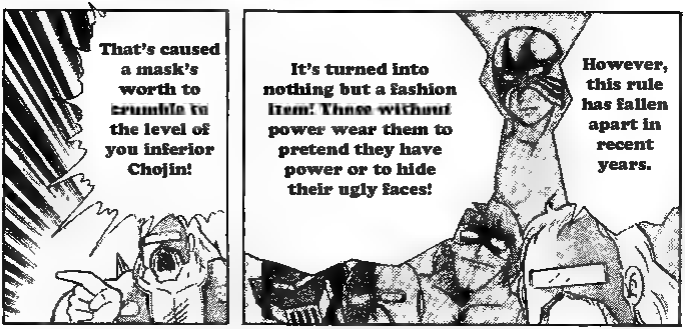
So, that's one more I can add to my collection.



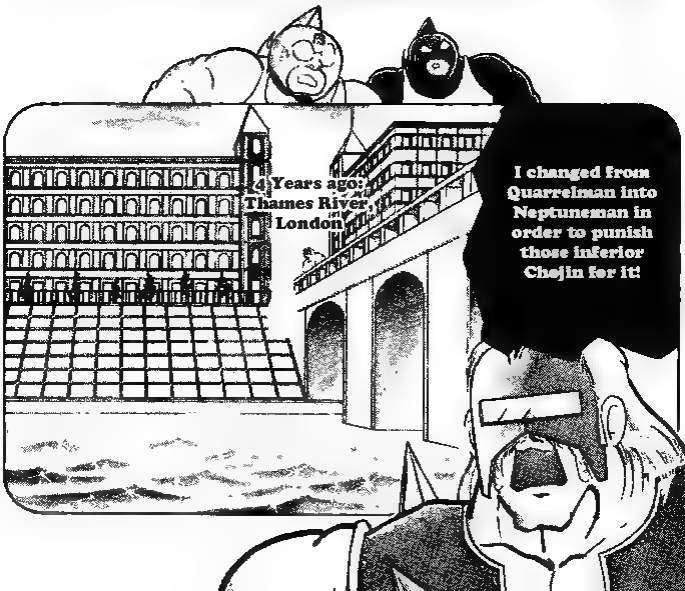
Yeah! Yeah!
Yeah! You're both just scum who are even lower than Devil Chojin!
Of course! Even if we Devil Chojin hate our opponent, we'd still never touch his mask!
It's not like that. A Masked Chojin's mark is his life! It should be a rule that you can't harm his mask.
SHUT UP, INFERIOR CHOJIN!
What we do with our power is more than any of you can comprehend, yet you dare belittle it?!



In other words, they were proof of a perfect Chojin!
Long ago, masks were reserved for those with true power.



That's caused a mask's worth to crumble to the level of you inferior Chojin!
It's turned into nothing but a fashion item! Those without power wear them to pretend they have power or to hide their ugly faces!
However, this rule has fallen apart in recent years.

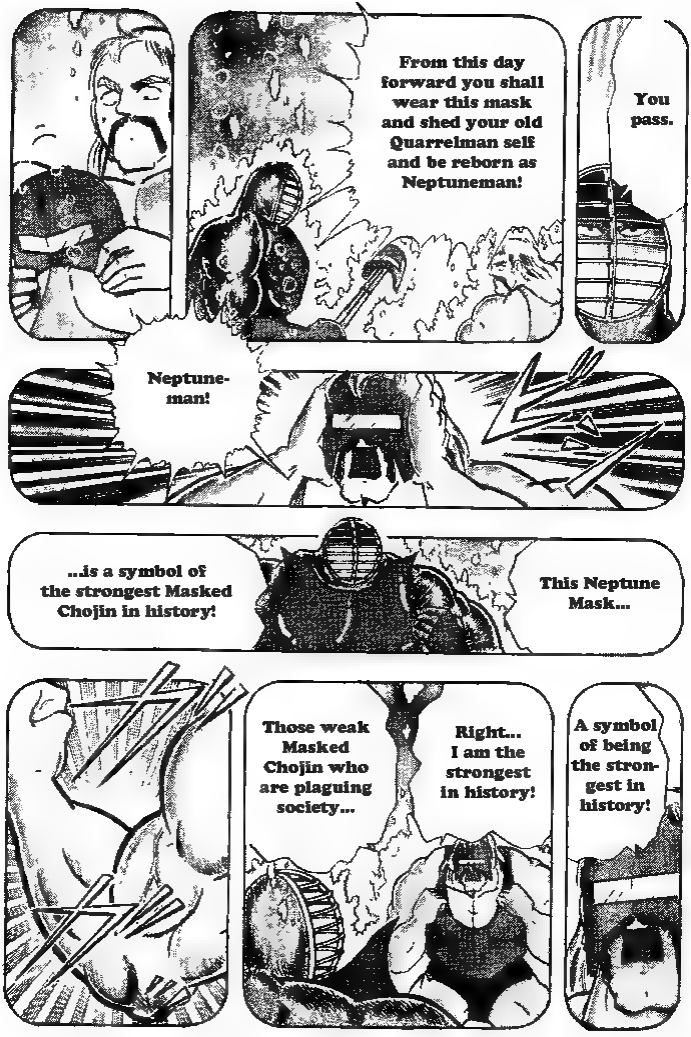


4 Years ago: Thames River, London
I changed from Quarrelman into Neptuneman in order to punish those inferior Chojin for it!

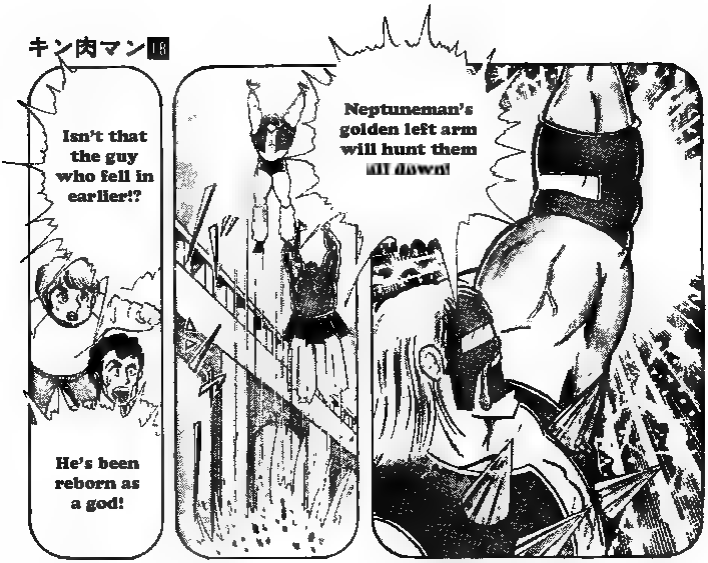
I'm just too strong. If only I could have been born as a more normal Chojin!
Why should I accept a fight with that flashy Robin Mask who doesn't care about fights that only involve strength?
It's terrible! He's drowning!
The river is too deep to try to save him!
I don't want to die!
This pain!

Since you are also too strong, it's unfortunate that people don't recognize your strength!
What are you!?
There's only one way to save you!
He also threw himself into the Thames...
Long ago there was another lone Chojin who was ignored by the world because he was too strong, like you.
However, just like King Neptune, you don't have a reason to die. You shall inherit the will of the dead king and become a Perfect Chojin to punish those inferior Chojin!
I'm just like him! My life was the same as his!
His name was Neptune King!

No, I won't hand it over that easily!
Alright, I'll inherit the will of this King!
A completely flawless Perfect Chojin... I aim to be the same!
I will now test your true power!
Right! Why wouldn't you test the true power of Quneroiman?!
Protecting this Neptune Mask down here for hundreds of thousands of years has finally paid off!
Uh...
Uh... I get this strange feeling of heaviness and oppression from your shoulders...

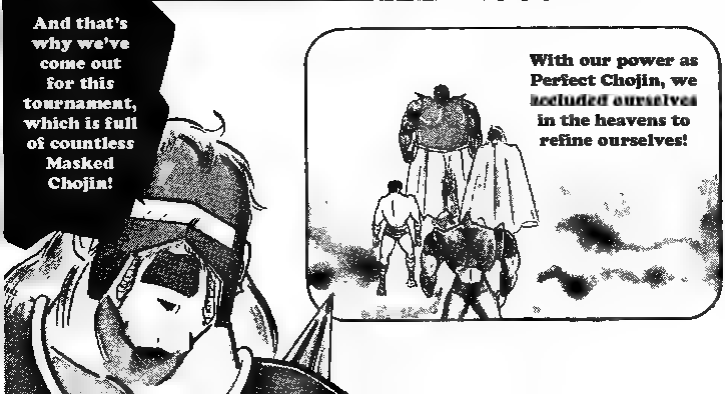


From this day forward you shall wear this mask and shed your old Quarrelman self and be reborn as Neptuneman!
You pass.
Neptune-man!
...is a symbol of the strongest Masked Chojin in history!
This Neptune Mask...
Those weak Masked Chojin who are plaguing society...
Right... I am the strongest in history!
A symbol of being the strongest in history!



Isn't that the guy who fell in earlier!?
He's been reborn as a god!
Neptuneman's golden left arm will hunt them all down!

And so, I recruited Kenlaman and Screw Kid to our group, who were also shunned for being too strong.



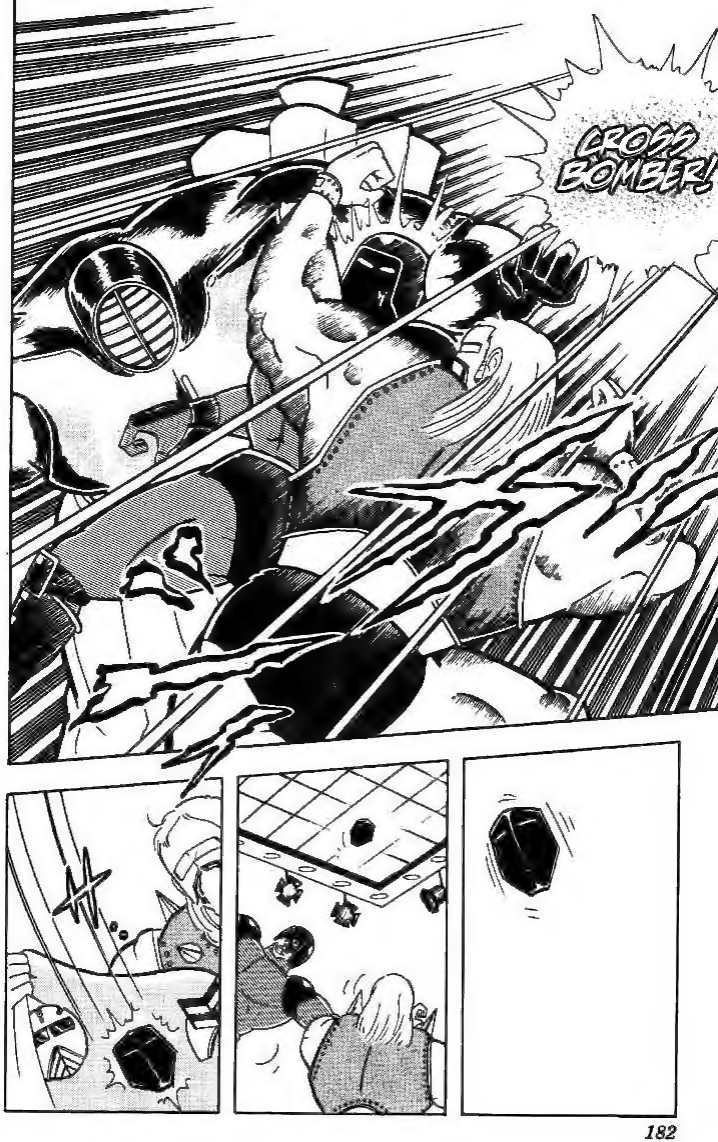
And that's why we've come out for this tournament, which is full of countless Masked Chojin!
With our power as Perfect Chojin, we secluded ourselves in the heavens to refine ourselves!

Right away.
Budo! Bring me my cloak!
Hahaha... don't worry, Kinnikuman. We'll be taking your mask later. We need to deal with the Teacher-Student Combo right now.
Who are you calling puny Masked Chojin!?
What's he going to do with that cloak?
Take a good look!
This is my full collection!

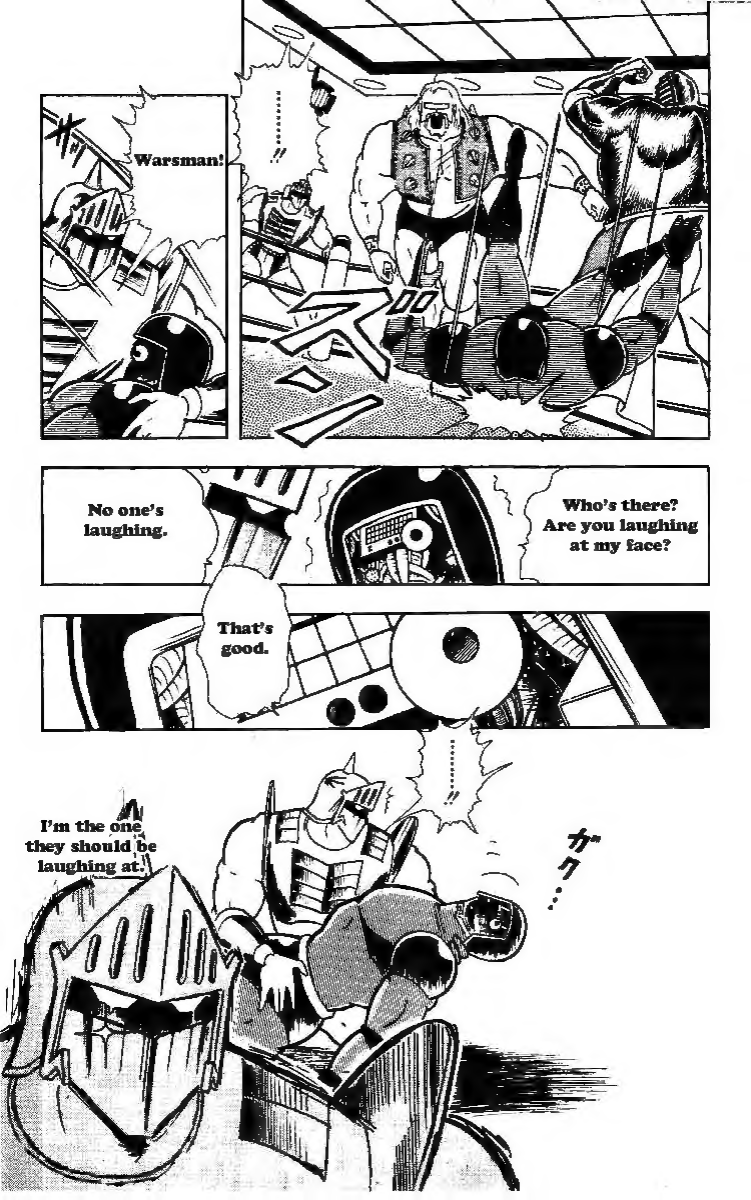
Hold on! It's cruel to take this away from Warsman!
I've torn all of them off puny Masked Chojin with my true power! I'll be adding your masks to them!
Those are masks of Chojin wrestlers!
Uh...
Don't you know? It's natural to unmask those without power!
Wars...
Yes! Go Warsman!
Isn't it obvious!?
Warsman, can you still fight?
I haven't shown all of my power yet!

.....
!?
Where'd you go, Neptune?
Take this!
You've become blind!
Warsman, that shock earlier...
Ha!
Let's go, Budo. It's a Mask Hunt!
Hahahaha! That's good to hear!

Now!
Oh no! Warsman! Run!
Diamond Arm!
Hard-ness 10!
Budo lariats from behind!



CROSS BOMBER!



Warsman!
……
ズドーン
No one's laughing.
Who's there? Are you laughing at my face?
That's good.
……
ガク…
I'm the one they should be laughing at.

You... I can't forgive you anymore!
But what I really want is the mast of the furious young noble. Your mask, Robin Mask!
Heh heh heh... The mask of the dreaded Computer Chojin Warsman has a different shine to it.
If it means not crying...
Are those tears? Robin Mask, I'll teach you how to evolve from an inferior Chojin into a Perfect Chojin! Throw away your feelings! Then you'll never cry about useless things ever again!
THEN I DON'T WANT TO BE A PERFECT CHOJIN!
